STRIKE PROBERS VISIT MILLS

ANOTHER AVIATOR IN MINEOLA-FRISCO RACE IS KILLED

SNOW BLINDS AIRMAN; PLANE GRASHES INTO MOUNTAIN TOP

William Goldsborough, Passenger, Is Injured, Says Dispatch.

ACCIDENT IN WYOMING

Thirteen Machines Are Now Out of Race; Maynard Leading.

NEW YORK, Oct. 10.—First Lieut. E. V. Wales, a western contestant in the trans-continental air race, was killed at Deer Mountain, Wyo., late yesterday, and Lieut. William Goldsborough, who accompanied Wales as a passenger, was injured, said a dispatch received at the American Flying club today.

Wales and Goldsborough were caught in a snow storm and while blinded, crashed into the top of the mountain. The machine rolled down the mountain side into a deep snow drift.

Goldsborough, although badly hurt, crawled several miles to the Paulson ranch for aid. Searchers went back and found Wales, but he was dead before they arrived.

Wales and Goldsborough were using a De Havilland-four machine, driven by a 400-horsepower Liberty motor.

News of the tragic accident was received from the control station at Rollins, Wyo. Wales and Goldsborough had arrived there Thursday morning and departed a few hours later, but the dispatch to the American Flying club did not give the exact time. Rollins had been substituted as a control station instead of Green River on account of a heavy fall of snow at the latter place.

It was reported that Lieut. B. W. Maynard, who is leading the contestants by a big margain, might be barred because he had flown into Cheyenne, Wyo., a few minutes after sundown on Thursday night, but after a long distance conversation with officials at Washington it was announced by the American Flying club that Maynard was still in the race. Flying after sunset was regarded as too much of a technicality to bar the famous flyer. It was stated that the only thing which might result in an airman being put out of the contest would be his failure to circle a flying field twice before making a landing.

Rockwell plane No. 55, flying east from San Francisco, was compelled to

AUTO CLUB TO CONSIDER LEVY

County Commissioners to Attend Meeting Here Friday Night.

Consideration of the proposed two-mill tax levy for county road purposes and the contemplated road improvement program of the county commissioners will be taken at a general meeting of East Liverpool automobile owners to be held Friday night at 7:30 o'clock in the Y. M. C. A. auditorium under auspices of the East Liverpool Auto club.

The meeting was called Friday by S. S. Groglode, president of the auto club. The county commissioners will address the meeting and explain the possibilities of the proposed tax levy. The measure will be submitted to Columbiana county electors at the general election November 4.

BEAUTIFUL DAUGHTER OF CARTER GLASS ENGAGED TO MARRY VIRGINIAN, WAR VET

Miss Mary Archer Glass.

Miss Mary Archer Glass, one of the charming and beautiful daughters of Carter Glass, secretary of the treasury, is engaged to be married to John Querrant Boatwright in the near future. Miss Glass and her sister, Augusta, are popular in the younger social set in Washington. Miss Mary was educated in Gunston Hall. Boatwright is a resident of Danville, Va. He recently returned from service overseas.

REDUCTION OF WATER RATES IS ASSURED

Action Will Be Taken Jan. 1 by Service Director Smith---Water Works Report for Year Shows Balance.

Reduction of East Liverpool's water rates January 1 1920 was assured Friday by Service Director E. J. Smith, following the submission of the annual report of Water Works Clerk Frank Robinson, showing a balance of $7,818.26 after a full year's operation of the new muiicipal filtration plant.

According to Robinson's report, receipts from all sources during the first year's operation of the filtration plant totalled $124,820.61. Expenditures for the year, including bills still unpaid amounted to $109.555.25, leaving a balance of $15,265.36.

Included in this balance, however, is the $10,000 received for the sale of the city farm in the East End, nego-

TO TURN PROCEEDS INTO TUBERCULOSIS FUND

Columbiana county's proceeds from the sale of the Springfield Lake Sanitarium at Akron to Summit county will be used as the nucleus of a fund for caring for tuberculosos patients in this county pending definite decision by the county cimmissioners on the proposed erection of a tubercular institution for Columbiana county, it was declared Friday.

Columbiana county will receive $44.-038.32 as it its share in the deal just negotiated with Summitt county. It will cost Summit county exactly $239,-809.77 to acquire sole ownership of the institution. Stark, Mahoning and Portage counties will be repaid their proportionate share of the original capital invested in the hospital.

MAYOR WILLING TO GIVE MORAN OFFICE

CINCINNATI, Oct. 10.—"I will abdicate in favor of Moran if he wishes to be mayor of Cincinnati," wired Mayor Galvin this morning from Martinsville, Ind., where he is recovering from an attack of illness.

"I am sorry I could not attend the homecoming of the Reds for their brilliant feats in baseball has given our city tremendous beneficial advertisement," said the mayor.

WILSON'S CONDITION STILL IMPROVING

WASHINGTON, Oct. 10.—President Wilson's condition is becoming so favorable—although the progress is slow—that his health is soon expected to be such that it will allow Rear Admiral Gary T. Grayson, his personal physician to discontinue—probably at the close of this week—his daily bulletins on the president's condition of health.

This was learned authoritatively in white house circles today.

REMOVES TO CLEVELAND

O.O. "Judy" Eidenier foreman of the printing shop of The Potters' Herald, has removed with his family to Cleveland where he plans to establish a printing shop of his own.

THE WEATHER

Ohio and West Virginia: Showers and thunder storms probably this afternoon and tonight; fair Saturday.

DEFENSE HAS ITS INNING IN BROKERAGE CO. CASE FRIDAY

Counsel Says Accused Got His Money from Auto Business.

CALL FOUR WITNESSES

William T. McNutt, Peter Mullen, Joseph Wolf and Ed. Teeman Testify.

That profitable dealings in the automobile business and not illegitimately gained wealth at the expense of the Empire Investment company were responsible for the sudden enrichment of King M. Brumfiel, former bookkeeper of the defunct concern, will be the defense of the accused before common pleas court in Lisbon, it was announced Friday. Brumfiel is charged with embezzlement.

Witnesses for the defense took the stand Thursday afternoon at 3 o'clock after the state rested its case. William T. McNutt, this city, the first witness, told of buying Liberty bonds from Brumfiel on several occasions. In three instances, McNutt made the checks payable to the Empire Investment company and only on one occasion was the check drawn in Brumfiel's name, McNutt testified. In the last instance the check was made for $1,400.

Peter Mullen, former employe of Brumfiel in the automobile business, testified that he knew that the Brumfiel automobile agency, together with the garage business operated jointly, made money. He recalled the sale of 30 cars, the profits on which ranged from $250 to $700. A taxi service operated by Brumfiel was also a money-maker, Mullen testified. The motor sales agency operated for about 15 months, Mullen said. Mullen recalled instances of Brumfiel buying bonds at the garage for the Empire company.

Liberty bond sales totalling approximately $7,000 were consummated between Brumfiel and Joseph Wolf, former East Liverpool saloon keeper, according to testimony given by Wolf Friday morning. Wolf

Hold Up Export Shipping.

WASHINGTON, Oct. 10.—The issuance of permits for exporting shipping through the port of New York was stopped by an order today from Director General of Railroads Hines, on account of the strike there of longshoremen.

SEEK BIDS ON MAIL CARRYING

Ask Proposals on Transporting Mails to and from Depots.

Potmaster M. E. Miskall Friday was authorized to seek bids for the transportation of mails between the railroad station, the various traction lines and the two postoffices. Lawrence Calder, who holds the contract for the work, has notified the postmaster that he will cancel his contract October 15.

Calder was awarded the contract for the work April 15, replacing Frank Duga. The contract calls for the hauling of mails to and from the Cleveland and Pittsburg railway station, the Y. and O., Steubenville, East Liverpool and Beaver Valley Traction company lines and the Newell line.

Harold Gallimore, former city carrier at the downtown postoffice, has been placed in charge of parcel post delivery.

David Jessop, oldest mail carrier in point of service in the employ of the local postoffice, is on a two week's vacation. He was one of the first carriers on the force when the free city mail delivery was established 28 years ago. His place is being filled by William Barnhart.

SENATE COMMITTEE INVESTIGATES IN PITTSBURG; PLANS TO GET CLOSE-UP VIEW OF CONDITIONS

Stenographer Accompanies Kenyon, Phipps, McKellar and Sterling on Trip Through Largest Mill Centers---Testimony Will be Taken in Plants---Will Also Visit Youngstown.

PITTSBURG, Oct. 10.—The senate investigation into the nation-wide steel strike was brought into the heart of the steel country today when four members of the committee on education and labor arrived here from Washington to "ascertain the working conditions within sight of the mills."

The probers who arrived this morning were Chairman W. Z. Kenyon, of Iowa, L. C. Phipps, Colorado; K. D. McKellar, Tennessee, and Thos. Sterling, South Dakota. Senator D. I. Walsh, Massachusetts, a member of the committee, could not leave Washington last night. He is expected to arrive here late today or tonight.

Immediately after breakfast the members started for the mill sections, where they said they would get a closs-up view of conditions. Today's investigation, they said, would be informal and unofficial. The largest mill centers were to be visited.

To Seek Causes of Strike

A stenographer accompanied the party, it being the intention to take testimony in the mills visited.

Although no definite program has been mapped out for their visit here, which will last until Sunday night, the senators said they probably would hold hearings here. They expected to go to Youngstown, O., on Monday.

"We came here to make a quiet investigation," said Chairman Kenyon. He made it plain that the party did not wish to be bothered by strike officials, steel officials "or anybody else." "We will make the investigation alone," he said.

"We expect to obtain important information here and will thoroughly investigate every angle of the strike," said Senator Phipps. "We are here to find out what caused the strike and to ascertain the true working conditions in the mills. No definite program has been mapped out, but no doubt we will hold some hearings before returning to Washington."

SHOTS ARE FIRED FROM CAR AS SENATORS ARRIVE AT MILL

PITTSBURG, Oct. 10.—Just as Senators Kenyon and McKellar of the steel strike investigating committee from an automobile at the gates of the Homestead Steel works today, two shots were fired from a passing street car. The senators were rushed into the offices of the plant while the state constabulary rushed the car and arrested a number of foreigners. No one was hurt by the shooting.

Senator Phipps and Sterling arrived at the plant several minutes earlier. The shots were not fired at the senators, it was said, but were aimed in an opposite direction. The probers apparently were surprised but they did not show any signs of alarm.

The state constabulary was called to stop a fight in a foreigner's boarding house in Clairton today when sever of the men said they would return to work. Shots were fired and knives were drawn during the melee. One man, Andrew Chekok, was slightly wounded by a bullet and three others were cut and bruised in the melee. A number of the men were arrested.

JAIL TWO MEN ON CHARGE OF BOMB PLOTTING

John Andrews, of Wellsburg, W. Va., Prisoner In Pittsburg Jail.

ONE NAME IS WITHHELD

Claim Prisoners Offered to Blow Up Steel Plants.

PITTSBURGH, Oct. 10.—Alleged to have made offers to plant bombs in the steel plants in this district, John Andrews, 35, of Wellsburg, W. Va., and another man whose name the police refuse to divulge, were locked up in the county jail today on charges made by labor leaders. A third arrest is expected.

According to the strikers' leaders, the men came to them and for a sum of money said they would blow up any plant named. They claimed to have dynamite and other explosives in their possession. The offer was rejected and the police were notified.

The authorities believe the suspects may belong to the group of radicals who were driven out of Weirton, W. Va., early this week.

There was almost a reign of terror in Donora last night. Two men were shot and attempts were made to burn the homes of loyal employes. Papers were piled up and set on fire at two houses. Little damage resulted. Columbus Beall, one of the negroes who was attacked in yesterday's riot at Donora, was shot but not seriously hurt, when attacked later. Marie Steelo, an employe in one of the steel company offices, was attacked by several foreigners and injured. Four workers leaving one of the plants was attacked by fifty men. During the fight Mike Kellich was shot. The state police made 16 arrests.

NEGRO WORKERS AND STRIKERS CLASH AT HUBBARD; 3 SHOT

YOUNGSTOWN, Oct. 10. — Three Rumanians were shot last night at Hubbard when a group of negroes opened fire on them as they left the Sheet & Tube plant. Steve Gelushok was shot through the head, the bullet piercing his brain. Although still alive today, hospital authorities say he cannot live. Two others were slightly wounded. Five negroes were jailed at Hubbard by Sheriff E. E. Thomas of Trumbull county, as a result of the melee.

The trouble started at 6 p. m. when the negroes who are mill restaurant employes, left the plant. The strikers objected to theiir working and remonstrated with them. The negroes fired a volley at the men and then went home where they were arrested.

Union leaders complained to the police this morning that the negroes in crossing to the Ohio Works from the upper union mills of the Carnegie Steel company, over the Baltimore & Ohio railway trestle, drew revolvers on the pickets at the plant entrance. Roland White and Michael Savko, pickets, say that two groups of negroes entered the Ohio Works at about 6 o'clock this morning. The first bunch numbering about 40, made no disturbance, they claim, while the second group of 22, drew revolvers in a menacing manner.

After the alleged gun pulling episode, the pickets became angered and pelted automobiles entering the plant with stones, breaking one wind shield, police say. The pickets asked the mayor and chief of police to prevent men entering the plants with revolvers displayed.

A house-to-house campaign of alleged intimidation was stopped this morning when detectives located a gang who were touring the Brier Hill district, threatening women if their husbands resumed work. James Prento, an Italian, and one of the gang, was arrested when it was discovered that he carried a long knife. He is held on a suspicious charge.

The Brier Hill Steel company advertises a reward of $500 for the arrest and conviction of any one making threats against the lives of employes and their families and a reward of $10,000 for the arrest and conviction of any ring leaders who may have caused such threats to be made.

Secretary Hammersmark, in charge of the local strike organization, stated that "there has been no settlement of the Trumbull situation by the unions, so far as we know."

PUT BLOCKADE INTO EFFECT

Supreme Council Acts Against Germany Because of Von Der Goltz's Action.

By Newton C. Parke

PARIS, Oct. 10.—The blockade of Germany resulting from the refusal of General von Der Goltz to withdraw his troops from the Baltic provinces will be put into effect at once.

The supreme council today directed the reparations commission immediately to put pressure upon Germany to prevent raw materials from entering the country until the dispute involving the Baltic district is settled.

A new note to Germany was tentatively approved and may be sent to Berlin tonight. The council was informed that despite denials, Von der Goltz has been receiving supplies from Prussia and that his forces have been strengthened by officers recruited through the German war office.

LEGION HONORS WILLIAM FOULKS

Post Commander Here Chosen Member of Ohio Delegation to National Convention --State Meet Closes.

William S. Foulks, post commander of East Liverpool Post No. 4, American Legion, was chosen one of Ohio's delegates to the national convention of the American Legion to be held November 10-11-12 in Minneapolis, at the closing session of the state conclave in Columbus Thursday.

East Liverpool's delegation to the state convention, headed by Post Commander Foulks, returned home Friday from Columbus.

W. L. Lyle of East Palestine and C. J. Barkowski of Steubenville, were named alternates to the national meet Eight delegates and eight alternates will represent the northeastern district of the state at the Minneapolis conclave. Four other subdivisions of the state will be represented at the November assembly.

Proposals recommending payment of a cash bonus to returned service men were rejected by the state convention. Discussion of the league of nations was eliminated from the meet.

Officers elected were:

F. W. Gailbraith, Cincinnati, chairman; James L. Cochran, Columbus, vice chairman, and Chalmers R. Wilson, Columbus, secretary; Robert Roberts, Youngstown, formerly a sergeant of the 135th machine gun batallion, was chosen second vice chairman, in addition to the above list. Executive committee members named were:

James A. McDermott, Wellinton; John E. Preddy, Findlay; T. M. Aldridge, Bellaire; C. L. Darlington, Cincinnati, and Frank M. Henderson of Marysville.

NEGRO WORKERS

Continued from Page One.

Common labor is reporting in large numbers at the Trumbull plant at Warren and officials of that plant expect to be able to run at full capacity by next Monday morning.

All is quiet in the Youngstown district at noon today. There was no resumption of operations at any of the plants this morning.

SENATE COMMITTEE

(Continued from Page One)

Both sides to the strike professed to be ready for the investigation. The strike leaders intend to make the presence of the senators the occasion for the institution of legal action in both of the state and federal courts in the hope of getting the ban on meetings lifted.

Attorney W. B. Rubin, who is handling the legal end of the strikers' cause, said the suits had been prepared, but he would not say what form they would take.

The operators said they would extend every assistance to the probers. The mills were to be trown open for inspection and the senators could talk with workmen if they wished.

Steady gains were reported by the steel operators today. More blast furnaces were started and new mills were placed in operation. Despite these claims, the strikers' leaders say they have drawn several hundred more men from the plants and tthat the operators are facing a crisis at several points.

BUFFALO, Oct. 10.—Estimates on the number of men who went to work through the gates of the Lackawanna Steel plant this morning ran as high as 2,000. There was a very noticeable increase over the numbers of men that went to their posts other days and it caused officials to declare that a break in the strike is apparent. It is expected that Monday will mark the real break and that sufficient men will return to work to allow the plant to resume operations on a big scale. Several reasons are given for the return of the men. Some believe it is due to the company's order ousting the men an dtheir families from the homes provided for them by the company. The company has notified tenants of those houses that they must vacate by November 1, if the occupants do not return to work.

HAS NEW SETTLEMENT PROPOSAL ON FIUME

ROME, Oct. 10.—General Grazionali has arrived at Abbazia witth a new settlement proposal on Fiume from Premier Nitti, said a dispatch from the Trieste crorespondent of the Spocha today.

SNOW BLINDS

Continued from Page One.

land south of Bitter Creek, in Wyoming, said a dispatch to the headquarters of the American Flying club. This machine is piloted by Second Lieut. Spender Hall and carried First Lieut. Bevin as a passenger.

Mather plans No. 59 was reported to have dropped out of the race at Salt Lake City. It was flying east, piloted by First Lieut. Robert Kauch, who carried Second Lieut. Warren A. Maxwell as a passenger.

Thirteen of the planes that set out from Mineola were out of the race today.

Captain Lowell H. Smith, in plane No. 58, is leading the fliers coming east. He arrived at Omaha at 7:43 this morning and left shortly afterward for Des Moines. He is flying a De Haviland four.

Two more of the eastbound machines were compelled to drop out of the race because of Wyoming snow storms. They were No. 54, piloted by Second Lieut. S. E. Rice, and 53, piloted by Cadet A. J. Nassamer. No. 54 quit 60 miles west of Battle Mountain and 53 twelve miles west of the same mountain. Both made forced landings.

A dispatch from Cleveland said that Lieut. Colonel H. E. Hartney, the oldest flyer in the race, left there at 6:21 this morning west bound. He is flying in a Fokker plane.

Orders have been given to make no more landings on the Chicago field because of the deep mud.

OCTOGENARIAN ROUTS FAKE "REVENOOERS"

LANCASTER, O., Oct. 10. — It takes more than a phoney badge to bluff John Young, aged 80, especially when his wine cellar—well stocked with the grape product—is threatened.

Two men appeared at the Young home and representing themselves as "revenooers" demanded the wine or a money "tax."

The octogenarian grabbed his rifle and presenting his compliments through the business end of the gun, caused the fake officers to beat a hasty retreat via auto.

SCHOOL TEACHER STRUCK BY LIGHTNING DIES

CANTON, Oct. 10. — Miss Martha Gulling, teacher in the schools at Maximo, east of this city, who was struck by lightning Sept. 9 while ringing the school bell, died in Mercy hospital, Canton, this morning. Another teacher and several pupils, slightly injured by the lightning, have recovered.

SUIT FOLLOWS MAN'S DEATH

Woman Recovers $35 Payment Made on Unruly Horse.

As an indirect outcome of the runaway in the West End a few months ago in which one man was killed and another badly injured, Mrs. Mary Russell, of West End, was awarded a verdict for $35 in the court of Justice of the Peace D. M. McLane Friday morning in her suit to recover $50 from A. Fisher, Rural lane grover.

Duration records for justice court hearings were broken by the initial trial which continued from 9 a. m. Thursday until nearly 2 a. m. Friday. Mrs. Russell, who was represented by Attorney Blaine H. Cochran, sought to recover $50 said to have been given Fisher as part payment for a horse. The animal, it was alleged, proved to be dangerous and unruly and was returned to its owner. Fisher, it is said, refused to return the first payment.

On one occosion the horse became frightened on the Jethro bridge, ran off and threw the two occupants of the buggy to which it was attached to the street. William Russell, owner of the horse, escaped with painful injuries but Steve Gotterich, other occupant of the buggy sustained a fractured skull and died.

The case went to the jury at midnight Thursday and a verdict was returned at 2 a. m.. Attorney George E. Davidson was counsel for the defendent.

TWO KILLED IN TANKER BLAST

PHILADELPHIA, Oct. 10. — Two men were killed, two others possibly suffered a same fate and 15 were burned in an explosion in the hold of the oil tanker Chestnut Hill here early today.

The tanker is undergoing repairs. It recently was turned over to the United States merchant marine by the United States shipping board.

Two bodies and what are believed to be parts of two others are at the morgue. None of them has been identified.

The men killed and injured were employes of the John Baizley Iron Works which had a force of 35 men repairing oil tanks.

The explosion, according to the police, was caused by a spark from a torch setting fire to acetylene and crude oil fumes.

URGE FIGHT AGAINST GERMAN COMMERCE

WASHINGTON, Oct. 10.—Congress must build defenses against German commerce as soon as the peace treaty is ratified, Senator Reed Smoot of Utah declared today.

"Germany is prepared to flood the United States with dyestuffs, surgical goods and glassware as soon as trade relations are formally resumed and American industry will be forced to compete against prices which will be so low as to be unfair," Senator Smoot believes.

Smoot has introduced an "anti-dumping" bill which would give the secretary of the treasury power to forbid importation of goods sold to importers at unfair prices.

REDUCTION

(Continued from Page One)

tiated with the agreement that if the site is not utilized for a structure of some kind within three years after the end of the war the money shall be surrendered without interest. To the final balance of $5,265.36 remaining after the extraction of this $10,000 is added a balance of $2,552.90 remaining on the books October 1st, 1918.

Here is the recapitulation of Clerk Robinson's report:

Balance, Oct. 1918	$ 2,552.90
Receipts:	
Water Collections	$121,411.92
Reimbursements	3,408.69
Total balance and receipts.	127,373.51
Expenditures:	
Bills Paid	107,663.22
Balance in fund October 1st, 1919, (not including land trust nor bills unpid).	19,710.29
Water Works Expenditures-Itemized	
General Administration ..	$ 3,814.34
Refunds	54.76
Sinking Fund and Interest ..	41,437.50
Pump Expenses-Operation	16,319.76
Pump Expenses-Maintenance	3,173.30
Distribution-aintenance ...	8,431.25
Extension-Maintenance ...	72.00
Filtration	11,177.69
Grand Total Expenses	107.663.22

DEFENSE

(Continued from Page One)

stated that he frequently bought bonds himself and that he also received others in settlement of accounts. These, he said, were sold to Brumfiel. Most of the sales, he stated, were made after banking hours and Brumfiel would go out and get the money, returning to his saloon to close the deal. Only once was a check exchanged and that was drawn in the name of the Empire Investment company.

BIG RECEPTION FOR CHAMPIONS

Ring Fire Bells and Blow Whistles When Red Team Arrives.

CINCINNATI, Oct. 10. — Fire bells rang, whistles blew and joy reigned supreme this morning when Pat Moran and his world champion Reds reached home at 7:45. All business was at a standstill today from 8 a. m. until noon in their honor.

The team was met at the depot by a band and a committee from the Business Men's club and thousands of fans. Members of the Reds and their wives were taken in autos to the Business Men's club and given a breakfast.

At 10 o'clock a monster meeting assembled at Fountain Square and while the Reds looked on with pride, all of Cincinnati sang and cheered them to the echo.

"Red" parades were the order last night and the down town streets were jammed until a late hour.

DEATH ROLL

John M. McBride

John M. McBride aged 50, died at his home in East End, early Friday morning. He is survived by his wife, father and one brother.

Deceased was born in Ballantory country when he was 16 years old. He has been a resident of East Liverpool for the past 24 years. He was a memberof the Catholic church.

Mrs. Hannah Pugh.

Mrs. Hannah Pugh, aged 69, of Jefferson street, died at 8 o'clock Friday morning in the Massillon state hospital.

She is survived by three daughters, Mrs. James Witherow of this city; Mrs. George McConnell of Steubenville, and Mrs. H. E. Barnhart of Cleveland, and one son, Charles Pugh of this city.

Funeral arrangements have not been completed.

CARD OF THANKS.

We desire to thank our many friends and neighbors for their floral offerings, kindness and sympathy to us during the sad bereavement of our dear husband and father; also to Rev. McCune and singers.

MRS. JOHN H. GIBBS
AND FAMILY.

OCTOGENARIAN ROUTS FAKE "REVENOOERS"

LANCASTER, O., Oct. 10. — It takes more than a phoney badge to bluff John Young, aged 80, especially when his wine cellar—well stocked with the grape product—is threatened.

Two men appeared at the Young home and representing themselves as "revenooers" demanded the wine or a money "tax."

The octogenarian grabbed his rifle and presenting his compliments through the business end of the gun, caused the fake officers to beat a hasty retreat via auto.

SCHOOL TEACHER STRUCK BY LIGHTNING DIES

CANTON, Oct. 10. — Miss Martha Gulling, teacher in the schools at Maximo, east of this city, who was struck by lightning Sept. 9 while ringing the school bell, died in Mercy hospital, Canton, this morning. Another teacher and several pupils, slightly injured by the lightning, have recovered.

SUIT FOLLOWS MAN'S DEATH

Woman Recovers $35 Payment Made on Unruly Horse.

As an indirect outcome of the runaway in the West End a few months ago in which one man was killed and another badly injured, Mrs. Mary Russell, of West End, was awarded a verdict for $35 in the court of Justice of the Peace D. M. McLane Friday morning in her suit to recover $50 from A. Fisher, Rural lane grover.

Duration records for justice court hearings were broken by the initial trial which continued from 9 a. m. Thursday until nearly 2 a. m. Friday. Mrs. Russell, who was represented by Attorney Blaine H. Cochran, sought to recover $50 said to have been given Fisher as part payment for a horse. The animal, it was alleged, proved to be dangerous and unruly and was returned to its owner. Fisher, it is said, refused to return the first payment.

On one occosion the horse became frightened on the Jethro bridge, ran off and threw the two occupants of the buggy to which it was attached to the street. William Russell, owner of the horse, escaped with painful injuries but Steve Gotterich, other occupant of the buggy sustained a fractured skull and died.

The case went to the jury at midnight Thursday and a verdict was returned at 2 a. m.. Attorney George E. Davidson was counsel for the defendent.

TWO KILLED IN TANKER BLAST

PHILADELPHIA, Oct. 10. — Two men were killed, two others possibly suffered a same fate and 15 were burned in an explosion in the hold of the oil tanker Chestnut Hill here early today.

The tanker is undergoing repairs. It recently was turned over to the United States merchant marine by the United States shipping board.

Two bodies and what are believed to be parts of two others are at the morgue. None of them has been identified.

The men killed and injured were employes of the John Baizley Iron Works which had a force of 35 men repairing oil tanks.

The explosion, according to the police, was caused by a spark from a torch setting fire to acetylene and crude oil fumes.

URGE FIGHT AGAINST GERMAN COMMERCE

WASHINGTON, Oct. 10.—Congress must build defenses against German commerce as soon as the peace treaty is ratified, Senator Reed Smoot of Utah declared today.

"Germany is prepared to flood the United States with dyestuffs, surgical goods and glassware as soon as trade relations are formally resumed and American industry will be forced to compete against prices which will be so low as to be unfair," Senator Smoot believes.

Smoot has introduced an "anti-dumping" bill which would give the secretary of the treasury power to forbid importation of goods sold to importers at unfair prices.

REDUCTION

(Continued from Page One)

tiated with the agreement that if the site is not utilized for a structure of some kind within three years after the end of the war the money shall be surrendered without interest. To the final balance of $5,265.36 remaining after the extraction of this $10,000 is added a balance of $2,552.90 remaining on the books October 1st, 1918.

Here is the recapitulation of Clerk Robinson's report:

Balance, Oct. 1918	$ 2,552.90

Grand Total Expenses	107.663.22

DEFENSE

(Continued from Page One)

stated that he frequently bought bonds himself and that he also received others in settlement of accounts. These, he said, were sold to Brumfiel. Most of the sales, he stated, were made after banking hours and Brumfiel would go out and get the money, returning to his saloon to close the deal. Only once was a check exchanged and that was drawn in the name of the Empire Investment company.

BIG RECEPTION FOR CHAMPIONS

Ring Fire Bells and Blow Whistles When Red Team Arrives.

CINCINNATI, Oct. 10. — Fire bells rang, whistles blew and joy reigned supreme this morning when Pat Moran and his world champion Reds reached home at 7:45. All business was at a standstill today from 8 a. m. until noon in their honor.

The team was met at the depot by a band and a committee from the Business Men's club and thousands of fans. Members of the Reds and their wives were taken in autos to the Business Men's club and given a breakfast.

At 10 o'clock a monster meeting assembled at Fountain Square and while the Reds looked on with pride, all of Cincinnati sang and cheered them to the echo.

"Red" parades were the order last night and the down town streets were jammed until a late hour.

DEATH ROLL

John M. McBride

John M. McBride aged 50, died at his home in East End, early Friday morning. He is survived by his wife, father and one brother.

Deceased was born in Ballantory country when he was 16 years old. He has been a resident of East Liverpool for the past 24 years. He was a memberof the Catholic church.

Mrs. Hannah Pugh.

Mrs. Hannah Pugh, aged 69, of Jefferson street, died at 8 o'clock Friday morning in the Massillon state hospital.

She is survived by three daughters, Mrs. James Witherow of this city; Mrs. George McConnell of Steubenville, and Mrs. H. E. Barnhart of Cleveland, and one son, Charles Pugh of this city.

Funeral arrangements have not been completed.

CARD OF THANKS.

We desire to thank our many friends and neighbors for their floral offerings, kindness and sympathy to us during the sad bereavement of our dear husband and father; also to Rev. McCune and singers.

MRS. JOHN H. GIBBS
AND FAMILY.

$100 IN CASH AND BOND TAKEN

One hundred dollars in cash, a fifty-dollar Liberty bond, a watch, and several articles of minor value were taken from a boarding house conducted by Mrs. Ada Grimes, in Main street near Fifteenth street, by thieves Thursday night, it developed Friday morning.

The robbers left no clues which might lead to the establishment of their identity. The police authorities are investigating the affair.

It is believed the theft occurred between midnight and 2:45 o'clock Friday morning. Police state that the thieves effected entrance on the first floor, by removing a screen from an open window. Thy proceeded to rifle the interior of the house although inmates Friday morning told the police that they knew nothing of it at the time. The room that was entered was occupied by two young men, both employes of the Pennsylvania here. The watch was the property of Mrs. Grimes, propriteress of the boarding house.

Both men were absent from their rooms at the time of the robbery. One of the men returned from his work at 2:45 o'clock Friday morning. He laid his watch and other personal belongings on the dresser . His roommate returned at 4 o'clock in the morning and states that the former's belongings were still undisturbed, which leads the police to believe the robbery took place before 2:45 a. m.

Postpone Prayer Service

The midweek prayer services in the First United Presbyterian church will be postponed in order that members may attend the Women's Missionary society to be held at Toronto.

MRS. HAUGH HOSTESS TO W. H. M. SOCIETY

Members of the Womens Home Missionary society of the First Methodist Episcopal church were entertained Thursday evening at the home of Mrs. John Haugh in Main street. Mrs. William Anderson led the devotionals.

Excuses for not joining the Womens Home Missionary Society was the topic of an interesting paper read by Mrs. Haugh. Mrs. Mary Snediker delivered a short address on the topic, Jennie Adams, leader of the meeting, had a paper on "Belshazzar's Doom.' A reading on the topic, "The Woman Who Changed Her Mind," was given by Mrs. Charles. "Martha at the Mite Box Opening" was the subject of an interesting paper read by Mrs. William Heldman.

Following the program a social hour was enjoyed, during which the hostess served luncheon. The November meeting will be held at the home of Mrs. A. J. Evans in Main street.

BRAKEMAN INJURED WHILE COUPLING CARS

When caught between two freight cars in the Midland, Pa., yards, Earl Burst, a brakeman, of Wellsville, sustained severe injuries shortly after 10 o'clock Thursday night. The accident occurred, it is said, when Burst was attempting to couple two cars. The coupling missed, allowing the two cars to jam. His left hand was badly mangled and his body badly bruised.

Following the accident he was removed to the East Liverpool hospital. His condition Friday was said to be good.

WELLSVILLE PERSONALS

Mrs. William Fox of Broadway was removed Thursday night to the East Liverpool City hospital.

Walter Roseberry of Commerce street, hurt recently in a fall at the American Sheet and Tin Plate here, is improving.

Mrs. Katherine Danwill, who has been a patient in St. John's hospital at Pittsburg, during the past nine weeks was brought to the home of her daughter, Mrs. W. A. Brooks, in Fourteenth street, Thursday.

PAISLEY HEADS FOOTBALL TEAM

At a meeting held Thursday afternoon, William Paisley was chosen as captain of the Wellsville Independent football team and Herman Dornick was selected to assist him.

Arrayed in their new uniforms, the Independents will open up the season here with the Follansbee Athletics Saturday afternoon. The game is scheduled to begin at 3 o'clock. Tickets have been placed on sale and indications are, judging from sales reports, that the first game crowd will be a large one. The field has been wired off, it is announced, thus preventing any interference from spectators during the progress of the game.

Coach Knox believes that the Independents this season will equal any team Wellsville has put on the field in the past few years. Numerous positions are being contested for by the different candidates and a definite lineup will not be announced until time for the whistle.

The Follansbee team will arrive here about noon Saturday, it is expected. The Independents will hold light signal practice Friday evening. Captain Paisley says all men are in first-class shape for the fray.

To Determine Girl's Sanity

Probate Judge Sam Crawford will conduct an examination into the sanity of Clara Ady, a 16- year old girl of Wellsville, Friday at Lisbon.

The young girl had been visiting her father in St. Clairsville for some time past. Her strange actions, aroused the suspicion of Belmont county authorities who took her into custody. Probation officer John McShane took her to Lisbon Thursday.

Loyal Temperance Legion Meeting

Members of the Loyal Temperance Legion will meet at 7 o'clock Friday evening at the Fourteenth street Mission. Important business matters will be discussed.

THOMAS SILVERS' BODY IS INTERRED HERE

The body of Thomas Silvers, aged 59, former Wellsville banker, who died at Richmond, Va., was brought here Friday morning and buried in Spring Hill cemetery. Rev. Robert W. Ustick, pastor of the First United Presbyterian church, conducted the services at the cemetery.

Mr. Silvers died in Virginia about two months ago. His body, at the time of his death, was interred in a vault at Richmond. Deceased was well known here, having conducted the Silvers Banking company institution in the building in the square now occupied by the Wellsville Red Cross chapter. Following its failure, he and his son left Wellsville and since that time have lived in the east.

BRYAN WILL MAKE ADDRESS HERE SUNDAY

In behalf of the Anti-Saloon League of America, which will wage an intensive campaign to defeat wet proposals at the November election, William Jennings Bryan will speak in the First Methodist Episcopal church Sunday morning.

Mr. Bryan's visit to Wellsville will be part of his campaign which started at Cincinnati several weeks ago and which will be continued until November 2, when he speaks in Columbus. He is accompanied by Dr. H. H. Russell, of Westerville, founder of the league.

There's No Scarcity of Good Furniture Here

We provided against that contingency many months ago when indications pointed to a scarcity of good furniture. That is why we are able to offer furniture of quality; a wonderful assortment of all that's newest and best in good substantial home furnishings and, best of all, the prices are right.

The Height of Perfection in Living Room Furniture

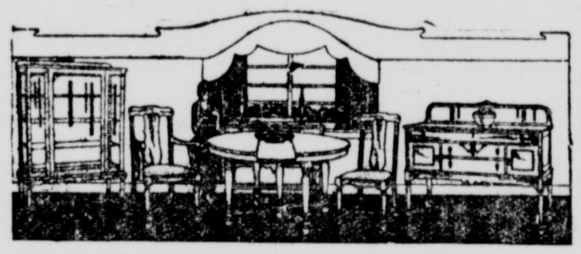

Three-piece living room suites, executed with all the attention to detail and color, characteristic of the best furniture makers. In Queen Anne design, with cane panel sides and your choice of either figured or plain color upholstering. Elegance and durability combined.

When Baby Says, "Good Night"

Your child will be more than willing to climb into a Simmons crib. Beautifully finished in white or Vernis Martin, but may be had in mahogany or walnut finish to match mother's bedroom suite. Crib beds $12 and up.

Give Your Dining Room the Proper Setting

is the mission of these William and Mary and Queen Anne suites which consists of eight or more pieces. Deserving of especial mention are the mirrored buffets, charming panel-front china cabinet and the genuine leather upholstery on all six chairs. May be had in mahogany or American walnut. A grand assortment.

Beauty and Utility Form an Alliance in These Suites

It is surprising what a great amount of beauty and usefulness can be put into a bedroom suite. For instance, this Queen Anne bedroom suite with its large bed, modern chifforette, roomy dresser and triplicate-mirrored dressing table. Also William and Mary, Colonial, Sharatan and Louis VI. period in walnut and mahogany at special low prices.

Baby's Daily Airing is Essential

Just as your daily bread is necessary so is plenty of fresh air for baby essential. We offer our entire line of sample carriages and strollers at a discount of 25 per cent. Pay us one-fourth less than the plain marked price.

TROLLEY CAR OR BUS?

No tracks taking up the middle or the sides of the street, no eternal jangle between the street car company and the city, no overhead wires to disfigure the appearance of the town, and occasionally descend and electrocute the innocent bystander! Where? In the city which substitutes motor busses for trolley lines.

The thing is being tried out, now, on the crowded East Side in New York, and is working far more satisfactorily than its detractors supposed was possible.

The principal drawback in New York, or anywhere else where such substitution is made, is that it requires twice as many busses as street cars to carry the people, and of course this addition to the wheeled traffic adds to the hazards of the pedestrian. Regular stopping points for the busses and careful observance of traffic laws will help to obviate this difficulty.

The experiment in New York will be watched with general interest, for the problem of transportation is a serious one in every growing community. While the trolley-car is a blessing not to be lightly esteemed, if there is some better method of carrying city passengers it deserves consideration.

WOMEN ROAD-BUILDERS.

There is history being made over in Mesopotamia which should bring the blush of shame to the cheek of every idle able-bodied man in this country.

In order to facilitate the transportation of Red Cross supplies it was necessary that miles of roads be built and that many bridges be constructed. There were no men to do the work, so a force of 500 Armenian women undertook the job. In four months' time they have built 100 miles of stone road and several steel bridges.

The women were thankful for employment of any kind, for they and their people are in desperate straits for food, supplies and money.

Here were needed construction and willing hands to do it. And judging from the speed with which the work has progressed, it is fair to surmise that the workers did not waste any time asking for a short working day.

Just about one-tenth as much determination and energy turned to rebuilding the industry and commerce of the United States would relieve the entire country of all pressure from shortage of supplies and resultant high prices.

BOLSHEVIST SUCCESS AND FAILURE.

A correspondent who has spent much time in Russia, and who went into White Russia with the Poles a month ago to study the result of Bolshevist rule, gives a striking report of its fruits. The gist of it might be epitomized as follows:

The more Bolshevism succeeds, the worse it fails. That is to say, the more completely the system is installed, the more disastrous are the effects. The movement has survived, he says, only because it was ringed about by armed foes.

"If they had no outside enemies, if all armed struggle against them suddenly ceased, they would be exposed in all their scandalous nakedness. They would be compelled to make good, and they could not do it. However worthy communism may be as a doctrine, it has not succeeded in Russia.

"Wherever I have been recently in White Russia, Lithuania and the Ukraine, I found the Bolsheviki had left behind them industrial ruin."

It was not chaos. That popular conception of Bolshevism in other lands seems wrong. It was not anarchy, though the Red leaders had ridden into power on a wave of anarchy. "Bolshevism," explains the correspondent, "is the exact opposite, a highly bureaucratic, strictly policed state of affairs, the imposing of a doctrine demanding implicit obedience to the word of Moscow, implicit belief in 'our teachings.'"

The factories were not wrecked or cluttered with dirt and debris. They were simply futile, inefficient, unprofitable. The Bolsheviki have not been able to operate them efficiently. They cannot produce. They have slowed the industrial system down so that it cannot make money for anybody, cannot even provide a living for the workmen, and cannot turn out half the industrial output needed to supply the wants of the community.

This evil, according to every open-minded inquirer who has studied Bolshevism on the spot, seems inseparable from the system. It is, as someone has said, "wrecked on the rock of production," which is the one big, all-important thing in industry. Just when Russia needs most production, it gets least.

The rest of the world is rapidly coming to understand this fact and that is why Bolshevism had made so little headway elsewhere.

FILMING THE WEST.

A motion picture expert is at work on Mount Tacoma—or, if you insist, Mt. Rainier—using the old mountain as the central figure in an educational film. A whole series of beauty spots of the great west are to be photographed in this way and shown not only on the Pacific coast but all over the country and even in other lands.

There is to be a thin thread of story woven about this mountain. An old hermit will appear for the purpose of telling many of the Indian legends of the mountain's history.

This is a fine project, and one that has many possibilities aside from the original one of advertising wonderful scenery and encouraging tourist travel. To weave about such a bit of scenic beauty both the legendary and actual history of the place adds an educational interest to the picturesque. The whole thing is suggestive of attractive pictures which might be made of many beautiful and historical spots in other parts of the country. Could there be a more delightful way to supplement textbook teaching of geography and history?

The kaiser has bought a house in Holland. Probably he has very little hope of a mansion in the skies.

NEW YORK LETTER

BY O. O. McINTYRE

NEW YORK Oct 10—Chatham Square is where the Bowery begins and off Chatham Square is Chinatown. The elevated rumbles around the curve overhead—smduged faced children of all breeds play on the car tracks underneath. And providentially no child has ever been ground under car wheels in the square. Beefsteak John's is in Chatham Square. It used to be could get a steak with all the trimmings including pie and coffee, there for 10 cents but now he charges 40 cents.

Round about Chatham Square and other points just on the outskirts of Chinatown there filter into chinks and queer crevasses elements from all over the world. Elements that all levels of society have jettisioned—the misunderstood and the misunderstanding—and for whom there seems no other haven than the gray squallor of this neighboring sink of wretchedness.

These less of the cup of life may not bepiquant, colorful or interesting to many, but to me the tortuous little streets of the slums have more heart interest than Fifth avenue or Broadway, New York, without its slums, is no different from any other city and perhaps not quite so interesting.

Writers of topical songs of scenarios and of short stories somehow draw out the sordid shabbiness of the Chatham Square section inpiration for lurid tales of ways unrighteous, vain and terrorizing and withoue and sweetness of character. Whereas, in sober truth, there is no spot in all New York where the gossamer mantle of romance fits with more aptitude.

There are more real real affairs down on the Bowery than on Park avenue and there are fewer dope fiends, street walkers, thieves and pickpokets, in Chatham than Times Square. Life is quiet earnest there. People are more sympathetic. A wounded dog howling in a gutter would have more chances for help in Chatham Square than among the limousine filled Park and Madison avenues.

The slums of the movies and of the fiction factory and the real life slums are distinct and strongly contrasting New York entities. It is the same with Chinatown. One emerges from the fantastic billows of opium smoke a place of strong passions, of exotic luxury of peculiarity strong Oriental flavor and wierd misdeeds, to learn that the real Chinatown is a hard working, progressive and law abiding community.

There is an editor down on Park Row who is a professional "anti"—a part of the eternal No—among his friends. In any gathering he always takes the view that others oppose. As a result he is not extremely popular. Somebody asked him the other day what was the reason for his obstinance. "Well," he said, "anybody can be popular just by being agreeable. I like being unpopular and besides I've got dyspepsia."

The New Capitol Theater opposite the Wineer Garden on Broadway, is opened as the largest theater in the world and it is devoted to moving pictures with a high-brow dash of classic dancing and minute dramas. Pryor's band is to furnish the music. E. J. Bowes, husband of Margaret Illington, the money and Old Ben Atwell, Chicago's favorite city editor, the publicity.

City hospitals are sending out warnings to watch out for wood alcohol in whiskey around New York. One teaspoonful, they point out, is enough to blind and paralyze. Some attention should be paid the table d'hote red wine.

BRYAN COMING IN CITY SUNDAY

Former Secretary of State Will Deliver Address In First M. E. Church Sunday Afternoon.

With every voting precinct in Columbiana county organized, attention of county dry workers is centered upon the coming here next Sunday of William Jennings Bryan, now touring Ohio in the interests of the Ohio Anti-Saloon league.

Mr. Bryan will arrive in East Liverpool at noon Sunday from Wellsville. He will have luncheon in this city and will deliver an address in the auditorium of the First Methodist Episcopal church at 2 o'clock in the afternoon. John Scott of this city, chairman of the East Liverpool Dry Federation, will act as chairman at the meeting.

Preceding Mr. Bryan's address, Dr. H. H. Russell of Westerville, founder of the Anti-Saloon League of America, will deliver an address. Dr. Russell is accompanying Mr. Bryan on his whirlwind tour of the state.

Mr. Bryan will deliver four addresses in Columbiana county and one in Alliance on Sunday. On Saturday he will speak in Salem, Leetonia, Warren, Hubbard and Niles. He is covering the state by automobile.

Here is Mr. Bryan's Sunday schedule:

Wellsville, Methodist Episcopal church, 10:45 a. m., Dr. W. G. McMillen in charge of arrangements.

East Liverpool, First Methodist Episcopal church, 2 o'clock in the afternoon, Thomas Hindle in charge.

Opera house at Lisbon, 3:30 slow time, E. M. Grosser in charge.

Opera house at Salineville, 5:15 p. m., W. A. McBane in charge.

Columbia theater at Alliance, 7:30 p. m., J. Y. Williams making arrangements.

bine laundry, is visiting friends in Pittsburgh.

Miss Elizabeth Stein is a Pittsburgh shopper today.

Miss Mary Gibbons was a Pittsburg visitor yesterday.

W. A. Weaver and daughter Mildred are Pittsburg visitors.

ORDERED TO TAKE CURE FOR WINDOW-BUSTING JAGS

KANSAS CITY, Kan.,—"It's just as necesary for me to break a plate glas window occasionally as it is for a dope fiende to have his "shot" in the arm," George Mulkey, thirty-three told Acting Judge Shepard in North Municipal court here a few days ago, after he had admitted smashing a plate glass window of a store on Main street.

"I'm going to fine you $100 and send you to the Municipal farm to take the window smashing cure," advised the Court.

"SPOOKS" HAVE APPROVED, SO SIR OLIVER MOVES

LONDON—The "spooks" have approved and Sir Oliver Lodge is about to move into his new house in Wiltshire.

Sir Oliver had all plans made to live in a certain house in Hempstead Garden, but a communication from the spirit world advised Lady Lodge that the family had better seek elsewhere for a home.

The spirits had no objection to the new house, and the landlord was so pleased with the idea of having Sir Oliver for a tenant that he offered to build on a large library in which the pioneer can continue his delving into the spirit world.

PROF. BRUHL GIVES FIRST OF LECTURES AT HARVARD

CAMBRIDGE, Mass.—Professor Lucien Levy-Bruhl, of the University of Paris, who just arrived in this country as an exchange professor from the Sorbonne to Harvard, made his first public appearance when he gave the first of a series of lectures in French at Emerson Hall, in the Harvard yard. Professor Levy-Bruhl's subject was "French Philosophy in the Nineteenth Century." The whole series of lectures will roughly parallel the college course whih he is to give during the first half year under the title of "Philosophy 16."

Professor Levy-Bruhl is a distinguished French philosopher.

Akron—R. C. Van Cleef, secretary of the Goodrich company, announces that his company is in favor of the classification of property amendment and so told members of the Rotary club, before whom he spoke.

Crestline—Because he had his arm broken while acting as one of the minute men of the Crestline fire department, Leroy H. Ackerman has sued the village of Crestline for $5,000 damages.

CUTICURA HEALS ECZEMA

Almost all over husband's body. Treated but got worse. In rash form and skin was sore and red. Burned and itched and he scratched very much. Sleep was broken and his clothes aggravated till trouble became very severe. At last used Cuticura Soap and Ointment and one cake Soap and one box Ointment healed him entirely.

From signed statement of Mrs. R. H. Finney, Reelsville, Ind., July 18, 1918.

Cuticura Toilet Trio

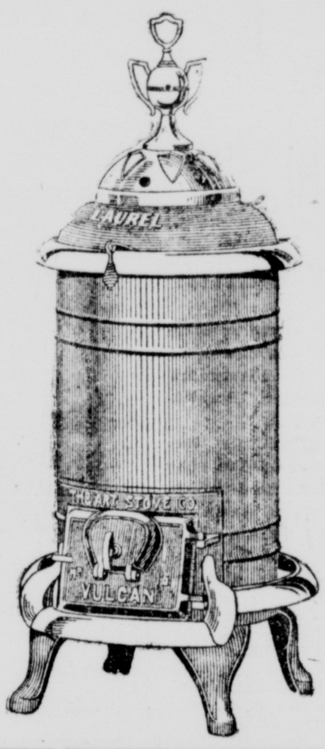

Consisting of Soap, Ointment and Talcum, promotes and maintains skin purity, skin comfort and skin health often when all else fails. The Soap to cleanse and purify, the Ointment to soothe and heal, the Talcum to powder and perfume. Then why not make these gentle, fragrant, super-creamy emollients your everyday toilet preparations?

Sold everywhere at 25 cents each. Sample each free by mail. Address, "Cuticura, Dept. R, Boston." Do not forget the fascinating fragrant Talcum for powdering and perfuming the skin.

TROLLEY CAR OR BUS?

No tracks taking up the middle or the sides of the street, no eternal jangle between the street car company and the city, no overhead wires to disfigure the appearance of the town, and occasionally descend and electrocute tne innocent bystander! Where? In the city which substitutes motor busses for trolley lines.

The thing is being tried out, now, on the crowded East Side in New York, and is working far more satisfactorily than its detractors supposed was possible.

The principal drawback in New York, or anywhere else where such substitution is made, is that it requires twice as many busses as street cars to carry the people, and of course this addition to the wheeled traffic adds to the hazards of the pedestrian. Regular stopping points for the busses and careful observance of traffic laws will help to obviate this difficulty.

The experiment in New York will be watched with general interest, for the problem of transportation is a serious one in every growing community. While the trolley-car is a blessing not to be lightly esteemed, if there is some better method of carrying city passengers it deserves consideration.

THE STORE OF REAL VALUES FOR THRIFTY SHOPPERS

We are able to give you the best goods at little more cost than the cheaper goods. And why? We purchased our material months ago, at that time, cheap goods were being advanced so fast that values became unreasonable, and there was better judgment used in handling finer goods, and we had sufficient confidence to go ahead and purchase for our Fall business. Since then fine goods have also advanced considerably, nevertheless we have given no thought to the replacement value of merchandise, but have priced our goods on the basis of several months back. If you will visit us you will receive our very best attention.

Displaying Suits That Lead the Autumn Styles

Finger tip, knee length, coated, belted and high collared suits. In fact all the newly created style examples in Suits.

Attractively priced from .....69c to $4.75.

THE STORE OF REAL VALUES FOR THRIFTY SHOPPERS

We are able to give you the best goods at little more cost than the cheaper goods. And why? We purchased our material months ago, at that time, cheap goods were being advanced so fast that values became unreasonable, and there was better judgment used in handling finer goods, and we had sufficient confidence to go ahead and purchase for our Fall business. Since then fine goods have also advanced considerably, nevertheless we have given no thought to the replacement value of merchandise, but have priced our goods on the basis of several months back. If you will visit us you will receive our very best attention.

Displaying Suits That Lead the Autumn Styles

Hydler-Kinsey Marriage

The marriage of Miss Mabel Hydler, daughter of Mrs. C. C. Rigby, of Florence street, and Colin F. Kinsey of Rose Meadows, was solemnized in the study of the nited Presbyterian church in Lisbon, Thursday afternoon. Rev. P. E. Carter pastor of the church performed the ceremony. The bride was attended by her sister, Miss Alma Hydler. Harry Kinsey, brother of the bridegroom, was best man. The bride wore a navy blue traveling suit and corsage boquet of roses.

The bridegroom is a graduate of the class of 1916, of the local High school, and also a graduate of the college of Arts and Science of the Ohio State university.

Following the ceremony, a wedding dinner was given at the home of the bride's mother, with only immediate relatives of the families present. Mrs. Rigby was assisted by her daughter, Miss Alma Hydler.

After a short wedding trip through the east, the couple will reside in a newly furnished home in Grant street.

Attend C. E. Rally

Forty East Liverpool Christian Endeavorers attended a county Christian Endeavor rally at Lisbon Thursday H. E. Whitney, secretary of the Ohio Christian Endeavor Union, and Miss Sylvia Tschantz, junior field secretary, both of Columbus, were principal speakers at the meeting.

Visited Lutheran Home

Headed by Rev. J. G. Reinartz, pastor of the St. John's Lutheran church, a party of twenty-three women, members of the local congregation, visited the Lutheran old peoples' and childrens' homes at Zelienople, Pa., Thursday. One hundred children and 24 old people are inmates of the home.

Miss Campbell to Entertain.

Miss Moore Hostess.

Miss Nell Moore was hostess to thirty of her friends, at her home in Eighth street, Thursday evening. An enjoyable program was carried out, with games and Victrola music as the chief diversions. A luncheon was served by the hostess, assisted by Miss Amanda Reardon of Newell and Miss Esther Warick.

Surprise Party.

Mrs. William Swaney was pleasantly surprised Thursday evening, by a number of her friends, the occasion being her birthday anniversary. An interesting musical program was given. Mrs. Edward Kinsey gave a piano solo and Mrs. Josh Chadwick sang a solo.

Dr. Colwell Visiting Here.

Dr. S. C. Colwell of Lancaster, is visiting at the home of Dr. and Mrs. F. F. Davis of Erie street, East End. Dr. Colwell and Dr. Davis served six months overseas in the same unit, Mobile hospital 103. Dr. Colwell has just recently been discharged from the service.

United Song Service.

Members of St. Stephen's Episcopal church and Sunday school will hold a united song service next Sunday morning. During the service a report of the progres of the campaign for new members will be read. The Sunday school is holding a 14-week campaign.

Needlecraft Club Meeting.

The Needlecraft Club held their initial session of the 1919-20 season, on Thursday afternoon at the home of Mrs. Mabel Bruhn in West Fifth street During the business session the following officers were elected: President Mrs. L. T. Capehart; secretary, Mrs. Mabel Bruhn; treasurer, Mrs. Charles Lentz; press correspondent, Mrs. J. C. Hamilton. The afternoon hours were pleasanttly spent with music and fancywork as the diversions. A three-course luncheon was served by the hostess. Guests of the club included Mesdames Nagle, Barlow, Frank Jarvis and E. W. Rieger. A trip to Los Angeles, Ca., will be an event of the near future. On Thursday afternoon, Oct. 23, Mrs. J. C. Hamilton will receive the club members at her summer home back of Newell.

Entertained Sewing Club.

The Pleasant Heights Sewing club was entertained at the home of Miss Ruth Bailey in Pleasant Heights, Thursday evening. Music and games were the features of the evening. Luncheon was served by the hostess. Miss Nell Cornelius of Zanesville, was the guest of the club.

The next meeting will be held at the homeof Miss Mary Thomas in Lincoln highway, Thursday, October 23.

Miss Nell Moore was hostess to thirty of her friends, at her home in Eighth street, Thursday evening. An enjoyable program was carried out, with games and Victrola music as the chief diversions. A luncheon was served by the hostess, assisted by Miss Amanda Reardon of Newell and Miss Esther Warick.

Surprise Party.

Mrs. William Swaney was pleasantly surprised Thursday evening, by a number of her friends, the occasion being her birthday anniversary. An interesting musical program was given. Mrs. Edward Kinsey gave a piano solo and Mrs. Josh Chadwick sang a solo.

Dr. Colwell Visiting Here.

Dr. S. C. Colwell of Lancaster, is visiting at the home of Dr. and Mrs. F. F. Davis of Erie street, East End. Dr. Colwell and Dr. Davis served six months overseas in the same unit, Mobile hospital 103. Dr. Colwell has just recently been discharged from the service.

United Song Service.

Members of St. Stephen's Episcopal church and Sunday school will hold a united song service next Sunday morning. During the service a report of the progres of the campaign for new members will be read. The Sunday school is holding a 14-week campaign.

Needlecraft Club Meeting.

The Needlecraft Club held their initial session of the 1919-20 season, on Thursday afternoon at the home of Mrs. Mabel Bruhn in West Fifth street During the business session the following officers were elected: President Mrs. L. T. Capehart; secretary, Mrs. Mabel Bruhn; treasurer, Mrs. Charles Lentz; press correspondent, Mrs. J. C. Hamilton. The afternoon hours were pleasanttly spent with music and fancywork as the diversions. A three-course luncheon was served by the hostess. Guests of the club included Mesdames Nagle, Barlow, Frank Jarvis and E. W. Rieger. A trip to Los Angeles, Ca., will be an event of the near future. On Thursday afternoon, Oct. 23, Mrs. J. C. Hamilton will receive the club members at her summer home back of Newell.

Entertained Sewing Club.

The Pleasant Heights Sewing club was entertained at the home of Miss Ruth Bailey in Pleasant Heights, Thursday evening. Music and games were the features of the evening. Luncheon was served by the hostess. Miss Nell Cornelius of Zanesville, was the guest of the club.

The next meeting will be held at the homeof Miss Mary Thomas in Lincoln highway, Thursday, October 23.

Junior Order Visitation.

The Junior O. U. A. M. held its regular business session Thursday evening at their hall in West Sixth street. The order will go to Wellsville, Friday evening, to atend the final visitation meeting of the season. Thursday evening, October 16, the local members will enjoy a smoker in their hall.

Birthday Party.

Miss Dorothy and John Bryarly were tendered a surprise party in honor of their seventeenth birthday, Thursday evening at the home of Mr. and Mrs. W. A. Morgan, of Henry avenue, Wellsville. The evening was enjoyed with music and games as the diversions. Miss Ethel Greenwood entertained with several piano selections. Luncheon was served by Mrs. Morgan, assisted by Mrs. James Harrison. Covers were laid for the following guests: Misses Ethel Greenwood, Irene Rever, Myrtle Aken, Martha Allison, Thelma Lamborn, Ellen and May Steenson, Ethel Apple, May Bryarly, Messrs. John Ward, Carney Smith, Norman Shingler, Homer Todd, Earl Todd, Thomas Coburn, William Lamborn, Thomas Locket, Francis Nolan, George Morgan, Vincent Bryarly, Ralph Harrison, all of East Liverpool and Mr. and Mrs. Harry Roberts and daughter, Allene, of Wellsville.

Held Birthday Party.

A number of friends and neighbors of Mrs. Nora Fuller tendered her a birthday party Thursday evening at the home of her father, William Ard, of Lincoln highway. The evening was spent in music and games. A two-course luncheon was served by Mrs. Fuller, assisted by Mrs. Troisieme, Mrs. Webber, Mrs. Flesh and Mrs. John Moore. Covers were laid for the following guests: Mrs. Moore and daughter, Lula; Mrs. James Webber and daughter, Margaret; Mrs. Violet Webber, Mrs. Herman Mathlege, Mrs. J. Miller, Mrs. Corderly, Mr. and Mrs. John Flesh, Mrs. Frank Welch, Mr. and Mrs. C. H. Fuller, William Ard and son, George, and Peter and Henry Troisieme.

PERSONALS

Mrs. O. C. Allen of Laura avenue, left Thursday for Mount Gilead, where she will visit at the home of Rev. D. E. Miller, former Baptist minister of this city.

Paul Shone, son of Frank Shone of Pleasant Heights, is convalescing from an attack of scarlet fever.

Miss Nell Cornelius of Zanesville, is visiting at the home of Miss Mary Thomas.

Misses Ellen Stevenson and Thelma Lamborn of Minerva street, have returned from Youngstown, where they visited with friends and relatives.

Born, Thursday, to Mr. and Mrs. S. W. Brothers, of Garfield avenue a 12-pound baby boy.

Rev. E. D. Holtz of Burford street, is a business visitor in Wheeling, W. Va.

A. Strickow of the Monroe apartments, has concluded a three weeks' motor trip through the east.

Miss Marguerite Croxal of West Fifth street, spent Thursday with friends in Steubenville.

LONDON PASTOR TO ACCEPT CALL HERE

LONDON, Oct. 10.—Rev. Dr. Fort Newton, minister of the city temple, has decided to accept the call to the Church of Divine Paternity in New York city in preference to the invitation to go to Chicago, the Daily News stated today. Dr. Newton does not know just when he will leave for the United States.

"I came to England reluctantly, for in my opinion an American preacher cannot really succeed in England," said the clergyman. "There is something in the English character and viewpoint that is undefinable but which prevents a complete agreement and absolute sympathy."

Dr. Newton said that the medium class of people objected to the permanent settlement of Americans in England.

Saturday, October 11th. Diamond cutting exhibition, Stewart's, 118 West Sixth street. Everybody welcome.

Gov. Smith Dances in Street.

ALBANY — To the strains of "Tammany" Governor Smith danced on the sidewalk in front of the executive mansion with his daughter, Miss Catherine Smith. The dance was in honor of ward candidates of the Democratic party, who first serenaded the governor and his family.

Saturday, October 11th. Diamond cutting exhibition, Stewart's, 118 West Sixth street. Everybody welcome.

Movie Houses Springing Up All Over England

LONDON—In spite of the high cost of building materials the erection of new movie picture houses progresses at a faster pace than any other kind of construction. Because of this building for pleasure, while there is a crying need for homes, inquiries have been started to see whether the government can stop the building of "kinema houses" and divert materials to housing. No such power exists and Dr. Addison may appeal to parliament for power to safeguard his housing scheme.

STATE PRIMARY VOTE IN JUNE

More activity begins to give signs the first burst of interest in the neral primaries of next June, when est Virginia will vote on everything om president of the United States own to constable, with the one ex eption of United States senator. emocrats have made no move in the ubernatorial battle that is to come, nd with no apperant indication that here will be any swarm of candidates or the office, many begin to believe hat Maj. Mansfield M. Neely, con ressman from the First West Vir inia district and long time winner in hat is normally a Republican group ng of counties, will finally be one nan on whom the Democrats of the tate will pin their hopes. Congress nan Neely does not say anything bout his aspirations, and his friends re equally reticent.

West Virginia Democrats in some places, believe the name of John W. Davis, ambassador to England, ought o be presented at the Democratic National convention for the presiden cy of the United States.

MISS GLADYS SCOTT IS BRIDE OF GEORGE BOURNE

George Bourne, son of Mr. and Mrs. Richard Bourne of Phoenix avenue, Chester, and Miss Gladys Scott of Pleasant Heights, East Liverpool, were quietly married at the parsonage of the First United Presbyterian church of Lisbon, Thursday afternoon, Rev. Mr. Carzon officiating. The ring ceremony being used.

Immediately following the ceremony, Mr. and Mrs. Bourne returned to the home of Mr. and Mrs. Bourne's parents in Chester, where they were tendered a wedding supper by Mr. Bourne's mother. Only the immediate relatives of the bridal pair were present. They left Thursday evening for a honeymoon trip which will take them to eastern points. They will reside in a home already furnished by the groom in College street, East Liverpool.

Both Mr. and Mrs. Bourne are well and favorably known here. Mr. Bourne is employed as a mould-maker at the Knowles, Taylor and Knowles Pottery in East Liverpool.

NO PREACHING AT CHURCH OF CHRIST

There will be no preaching services at the First Christian church of Chester, Sunday morning. The pulpit was to have been occupied by Rev. John R. Clark, of Hinton, W. Va., former pastor of the local church, but notification has been received from Rev. Mr. Clark that because of unforeseen business matters he will not be able to come to Chester Sunday. Rev. Mr. Clark is now president of the West Virginia State Bible School association.

Rev. Mr. Ward of Brilliant, O., who was recently selected pastor of the local church will assume charge of the church on the first Sunday in November. Bible school will be held at the usual hour.

Chester Juniors Seek Games.

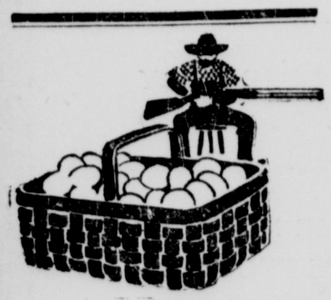

The Chester Juniors, a local football team, is anxious to arrange games with amateur teams of the immediate vicinity. All 125-130-pound teams wishing to accept the challenge can make arrangements by calling Bell phone 1893-R.

Notice to Taxpayers.

I will be at the First National Bank of Chester, Saturday, October 11, from 10 a. m. to 3 p. m. to collect taxes.

A discount of 2½% will be allowed on taxes paid at that time.

DELEGATES TO ATTEND I. O. O. F. CONVENTION

The Chester Odd Fellows lodge will be represented at the West Virginia Centenial Grand Lodge, I. O. O. F., convention, which will be held in Wheeling on Oct. 14, 15 and 16. Close to 1,000 lodgemen from all parts of the state will be in attendance.

The opening session of the centenial will be on Tuesday morning at the Thompson Methodist church. One of the chief features at this first meeting will be the address of Judge Henry Borst, of Amsterdam, N. Y., who is the Grand Sire of the Sovereign Grand Lodge of the United States and Canada.

On Tuesday afternoon the delegates will be the guests of the Wheeling lodge on an automobile ride through the Wheeling district and a request for the use of machines for use on this occasion has been made to members and friends of the organization.

At 6:30 o'clock Tuesday evening a grand banquet will be held at the Thompson church at which 700 persons will be seated.

Sessions on Wednesday and Thursday will be devoted to lodge affairs.

Attended Housewarming.

Several Chester grocers with their wives attended the eleventh birthday party and housewarming, given by the Mosel-Johnson company, Steubenville wholesale brocers, in Steubenville, on Thursday. The entire 68,000 feett of floor space, occupied by the concern on North Seventh street, was thrown open to the visitors, who came from every city and town within a radius of 50 miles of the down river city.

At noon a dinner was served the visiting grocers at the Westminster Presbyterian church. The visitors were entertained at a theatre party in the afternoon, the performers being brought from Pittsburg, especially for the affair.

FOUR JAILBREAKERS STILL AT LARGE

Despite the fact that a reward of $100 has been offered for his arrest, Allen H. Minter, one of the four prisoners, who escaped from the Hancock county jail at New Cumberland, still remains at large.

The county authorities Friday continued their search for the four fugitives, but without avail. It is believed that all are in hiding somewhere and will be kept concealed until the police lessen their vigilance.

Both Minter and Albert Snyder, the latter wanted for obtaining money on false pretenses, are from East Liverpool and the police o fthat city are keeping on the alert. All four of the escaped prisoners were to have been arraigned for indictment at the November term of court.

Purchases Montgomery Property

William "Peck" McKinney has purchased the Clarence Montgomery property, corner California avenue and Second streets, and is preparing to take possession immediately. Mr. McKinney has been residing in the Gardner property, facing the river front. The consideration was not made public.

FEDERAL AGENT AT WEIRTON

A federal agent arrived at Weirton Thursday at the scene of the recent deportation of nearly 300 Finlanders, and began an investigation into the alleged effiliations of these men with I. W. W.'s and other radicals.

Red flags and literature seized by Weirton police in a raid on the Finnish Socialist Federation hall and affidavits of officials and citizens as to the activities of the deported men were handed over to the government officer.

Alleged leaders of the Finlanders have been released from the Hancock county jail.

Two hundred of the deported men are still in Steubenville and making no attempt to return to their homes in Weirton.

Following an investigation into the charges made by Weirton officials against the men who are members of the steel workers' union, John D. Gardner, retained by the American Federation of Labor for the district, issued the following statement:

"I found that while some of the men did hold memberships in the union, there seemed a possibility of their being connected with some independent radical movement. In carrying out the policy of the American Federation of Labor, I advised further investigation before the American Federation of Labor intercedes in their behalf."

The union refused the Finlanders permission to use the hall for a mass meeting until their status with the American Federation of Labor is decided.

Splendid Way To Reduce Your Weight

There is perhaps no one thing that so plainly shows the passing of our youth as the horrible tendency to put on too much weight after we have reached the age of 25 or 30 years. However young our faces may appear, the sagging, flabby figure and forty inch waist "gives us away."

The cause of this over stoutness is that our stomachs convert the food we eat into fat because there is not enough oxyven in the blood to produce a proper combustion to destroy the excess fatty tissue. Fat people will be pleased to learn of a simple home method that is wonderfully efficient in reducing weight, quickly and easily without a starving diet, violent massage or strenuous exercise. Go to any drug store and get a box of Phynola; take five grains after each meal and at bed time. This treatment will often give quick relief from overburdening fat. Phynola taken at meal time assists the stomach in giving you the benefit of the food you eat; at the same time dissolves the fatty tissue from any part of the body where there is excessive fat. By this method many have reduced their weight a pound a day and there is no flabbiness left. Charles T. Larkin, druggist, can supply you with the genuine Phynola at a small cost.

No More Catarrh

This Simple Home Treatment Has Stood The Test of Time.

Every fall and winter, for more than twenty years, thousands of people have made it a daily practice to breathe the air of Hyomei and so keep themselves free from Catarrh, Coughs Colds, Bronchitis, Sore Throat and Influenza.

This is certain and you should try it. If you will breathe Hyomei daily as directed, it will free you and keep you free from all these troubles or it won't cost you a cent.

Bulger's Pharmacy or any any reliable drug store can supply you with the Complete Hyomei Outfit, including a hard rubber pocket inhaler. The inhaler will last a life time and extra bottles of the liquid Hyomei cost but a few cents. A few drops of oil in the inhaler will last for days and its pure, soothing, antiseptic, healing air, breathed deep in the air passages of your nose and throat, should keep you free from coughs, colds, influenza and catarrh all winter long. Pleasant to use, takes but a few minutes daily and is guaranteed to satisfy or money back.

STATE PRIMARY VOTE IN JUNE

More activity begins to give signs the first burst of interest in the neral primaries of next June, when est Virginia will vote on everything om president of the United States own to constable, with the one ex eption of United States senator. Democrats have made no move in the ubernatorial battle that is to come, nd with no apperant indication that here will be any swarm of candidates or the office, many begin to believe hat Maj. Mansfield M. Neely, congressman from the First West Virginia district and long time winner in hat is normally a Republican groupng of counties, will finally be one man on whom the Democrats of the tate will pin their hopes. Congressman Neely does not say anything about his aspirations, and his friends re equally reticent.

West Virginia Democrats in some places, believe the name of John W. Davis, ambassador to England, ought to be presented at the Democratic National convention for the presidency of the United States.

MISS GLADYS SCOTT IS BRIDE OF GEORGE BOURNE

George Bourne, son of Mr. and Mrs. Richard Bourne of Phoenix avenue, Chester, and Miss Gladys Scott of Pleasant Heights, East Liverpool, were quietly married at the parsonage of the First United Presbyterian church of Lisbon, Thursday afternoon, Rev. Mr. Carzon officiating. The ring ceremony being used.

Immediately following the ceremony, Mr. and Mrs. Bourne returned to the home of Mr. and Mrs. Bourne's parents in Chester, where they were tendered a wedding supper by Mr. Bourne's mother. Only the immediate relatives of the bridal pair were present. They left Thursday evening for a honeymoon trip which will take them to eastern points. They will reside in a home already furnished by the groom in College street, East Liverpool.

Both Mr. and Mrs. Bourne are well and favorably known here. Mr. Bourne is employed as a mould-maker at the Knowles, Taylor and Knowles Pottery in East Liverpool.

NO PREACHING AT CHURCH OF CHRIST

There will be no preaching services at the First Christian church of Chester, Sunday morning. The pulpit was to have been occupied by Rev. John R. Clark, of Hinton, W. Va., former pastor of the local church, but notification has been received from Rev. Mr. Clark that because of unforeseen business matters he will not be able to come to Chester Sunday. Rev. Mr. Clark is now president of the West Virginia State Bible School association.

Rev. Mr. Ward of Brilliant, O., who was recently selected pastor of the local church will assume charge of the church on the first Sunday in November. Bible school will be held at the usual hour.

The child died Wednesday evening as the result of burns sustained last July 4, when her clothing ignited from a lighted firecracker.

CALL MEET OF LOYAL WORKERS

Employes of the Chester tin mill, who are opposed to joining the nation-wide steel strike, are to meet in the McDonald hall, corner Fifth street and Carolina avenus, Sunday afternoon, it was announced here Friday morning.

This meeting follows in the wake a conference between steel workers' organizers from Wheeling and a number of the employes of the local mill, at which time it is said close to 100 men affixed their names to a paper signiying their willingness to organize and walkout on strike when the order was given.

The plan to organize the workers in the Chester plant of the American Sheet and Tin Plate company has met with opposition since the Wheeling organizers first visited this city over a week ago, it was stated. It is said that the majority of the employes here are opposed to the walkout order and as a means of encouraging the doubtful ones to reamin at work in case an effort is made to close the mill, the meeting has been called Sunday afternoon.

An effort is to be made to organize the workers in the Wellsville plant of the American Sheet and Tin Plate company Saturday afternoon, and Chester tin mill employes believe that the walkout order will be issued to the two plants simultaneously. The fact that the strike in the Wierton mills was a failure is used as an argument that it would be useless for the men employed in the Chester works to take similar action.

Be Prepared For Influenza

Cut This Out.

Many medical men say we will probably have another epidemic this fall.

Let us all hope and pray we will not.

But at the same time let us be well prepared.

The flu as it is called, usually starts with a cold and tightness in the chest.

If you even suspect there is a chance that you may be getting influenza take a good dose of laxative tea, such as Dr. Carter's K & B Tea or Celery King and send for your physician. While you are waiting for the doctor rub Begy's Mustarine on throat and chest.

Rub it on freely and never mind if it does feel good and hot, it cannot blister even the tenderest skin.

But don't stop at throat and chest; get some one to rub this enemy of inflammation over your entire back and especially between the shoulder blades.

This is one of the most sensible precautions you can take against pneumonia, which often quickly follows the flu and is just what the doctor tries hard to sidetrack.

You can get Begy's Mustarine for 30 and 60 cents in yellow boxes all ready for use at any drug store.

Remember it is made of real yellow mustard. Use it for sore throat, coughs, chest colds, pleurisy, bronchitis, lumbago and all aches and pains.

TO LINK COUNTIES BY ROAD SYSTEM

To link together every county seat in the state, is the purpose of an organization now being formed in West Virginia, in support of a state system of highways. The West Virginia Good Roads Federation now has the support of at least ten counties in support of the state good roads amendment to the constitution.

All Hancock county is in favor of the proposed system of highways and will earnestly support the movement. Hancock county has good roads now and will always have them, is the claim. The difference in the roads here and in connecting counties can easily be seen at the county dividing lines.

Returned Soldier Visiting Here.

Aleln Lonstutter of Woodlawn, Pa., is visiting his aunt, Mrs. William Basch of Indiana avenue, Chester. Mr. Lonstutter has just returned to the United States after 19 months with the American Expeditionary Forces in France.

POOR APPETITE AFTER SICKNESS

Stomach Was In Bad Condition and She Was Very Weak.

TOOK EARLE'S HYPO-COD

"I suffered from Influenza and was very much rundown and very weak. I also had a very poor appetite, could hardly eat anything, in fact as my stomach was in such a poor condition after eating I would become nauseated and had a hard time trying to keep anything on my stomach, "declared a lady of Canton whose name and address is given below.

"I bought Earle's Hypo-Cod because a physician recommended that I use it. At that time it could not be bought in Canton and I had to send away for it. I was not only built up and strengthened wonderfully by the use of Earle's Hypo-Cod, but found that it was one of the greatest stomach remedies I had ever used. It is just fine for gas on the stomach or indigestion.

"I know from my own experience that it is a good tonic and stomach remedy, I also found it also very good for the nerves," continued Miss Anna Harnam, 610 Fourteenth street, Canton, O.

Earle's Hypo-Cod contains extractives from cod liver oil, freed entirely of the fishy, nauseating taste and is most pleasant to take and agrees with the most delicate stomach. In addition Earle's Hypo-Cod contains Malt, extract, cherry bark, Iron, Wine and Syrup of Hypophosphites. The formula appears on the bottle and by submitting it to the doctor you find it has his endorsement. Druggists recommend it too. Step down to the nearest drug store and get a large bottle tonight.

CHESTER PERSONALS

Alex Mewha, of Wellsburg, a former resident, called on local friends Thursday evening.

Frank Hutton of near Asbury Chapel, was a local business caller Friday.

Al Fowler of the Pughtown road was trading in Chester Friday morning.

G. W. Thomas of Canton, was here on business Thursday.

Miss Norma Hendricks of Martins Ferry, O., has concluded a visit with local friends.

DOWN RED FLAG OF ANARCHY, HIS ADVICE

CLEVELAND, Oct. 10.—"This is a country made by and for a law abiding people. This government and its laws were established for your protection and when you meet the red flag of anarchy it is your duty to throw it in the gutter."

This was the advice of Appellate Judge Willis Vickery to 225 newly made citizens—the largest class to be Americanized at one time in many years.

It was announced that citizenship for 4,200 German and Austrian born seeking final papers is withheld pending ratification of the peace treaty.

To Relieve Catarrh, Catarrhal Deafnees And Head Noises

Persons suffering from catarrhal deafness, or who are growing hard of hearing and have head noises will be glad to know that this distressing affliction can usually be successfully treated at home by an internal medicine that in many instances has effected complete relief after other treatments have failed. Sufferers who could scarcely hear hav had their haring restored to such an extent that the tick of a watch was plainly audible seven or eight inches away from either ear. Therefore, if you know of someone who is troubled with head noises or catarrhal deafness, cut out this formula and hand it to them and you may have been the means of saving some poor sufferer perhaps from total deafness. The prescription can be prepared at home and is made as follows:

Secure from your druggist 1 oz. Parmint (Double Strength.) Take this home and add to it 1-4 pine of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day.

Parmint is used in this way not only to reduce by tonic action the inflammation and swelling in the Eustachian Tubes, and thus to equalize the air pressure on the drum, but to correct any excess of secretions in the middle ear and the results it gives are nearly always quick and effective.

Every person who has catarrh in any form, or distressing rumbling, hissing sounds in their ears, should give this recipe a trial.

"ALL YOU CLAIM AND THEN SOME" SAYS SAM WIRT

Well Known Locomotive Engineer Contributes Forcibly to Nerv-Worth Praise

Almost every day a new Ohio contribution of the kind mentioned! The following is a top-notcher. Hosts of railroad people know Sam Wirt. Mark his words to Springfield's Nerv-Worth druggist:

The Troupe Drug Co.—I have been in a nervous condition for years. I am an old railroad engineer. I did not get restful sleep. My stomach and digestion in bad shape. Was constipated and have had to use physic all the time. The nervousness was so severe it affected my toes and there was a twitching sensation in them. Was in run-down condition and at my age I had to get something that would strengthen my nerves. I found it in Nerv-Worth and have built my nerve force up to my normal condition and am feeling fine and on my engine every day. Nerv-Worth is certainly all its makers claim for it and then some. SAM WIRT.

1414 Lagonda Av., Springfield, O.

Larkins, the drug man, sells Nerv-Worth in East Liverpool. Dollar back if Nerv-Worth does not help you.

Neighborhood Nerv-Worth agencies: H. R. Scheff, Salineville; J. F. Calhoun, Wellsville; Welch drpg store, Toronto; Frank Huff, Chester; G. H. Stewart, Newell; F. W. Gamble, Midland, Pa.

BOOST PRICE OF MILK IN CLEVELAND

CLEVELAND, Oct. 10. — When Clevelander received their milk this pleasant news that effective today, morning, they also received the unmilk prices are a cent higher a pint and a cent higher a quart. Pints retail at ten cents now and quarts at 16c. Increased wages to employes and higher prices to producers caused the raise, the distributors say.

Women Barbers to Stay

In England the women barber, who found an oportunity to show her skill during the war, has proved such a popular institution that she seems to have come to stay.

Women assistants are employed in a number of west end shops in London, and some shops are owned and managed by women.

MRS. MAY COULD NOT WORK

Made Well and Strong by Lydia E. Pinkham's Vegetable Compound.

Columbia, Pa.—"I was very weak and run down and had dragging-down pains and pains in my back. I could not get around to do my work and had to sit down and rest often during the day. I saw Lydia E. Pinkham's Vegetable Compound advertised in the papers and read the testimonials, so I thought I would try it. Now I am healthier than I ever was in my life, and can recommend it to any woman who suffers as I did." —Mrs. ELIZABETH MAY, R.F.D. No. 1, Columbia, Pa.

The reason Lydia E. Pinkham's Vegetable Compound is so successful in overcoming woman's ills is because it contains the tonic, strengthening properties of good old fashioned roots and herbs, which act on the female organism. Women from all parts of the country are continually testifying to its strengthening, curative influence, and the letters which we are constantly publishing from women in every section of this country prove beyond question the merit of this famous root and herb medicine.

Catarah Of The Stomach Is Dangerous

"Thousands Have It and Don't Know It," Says Physician. Frequently Mistaken for Indigestion—How To Recognize and Treat.

"Thousands of people suffer more or less constantly from furred, coated tongue, bad breath, sour burning stomach, fresuent vomiting, rumbling in stomach, bitter eructatations, gas, wind and stomach acidity and call it indigestion when in realty their trouble is due to gastric catarrh of the stomach," writes a New York physician.

Catarrh of the stomach is dangerous because the mucous membrane lining of the stomach is thickened and a coating of phelgm covers the surface so that the digestive fluids cannot mix with the food and digest them. This condition soon breeds deadly disease in the fermented, unassimilated food. The blood is polluted and carries the infection throughout the body. Gastric ulcers are apt to form and frequently an ulcer is the first sign of a deadly cancer.

In catarrh of the stomach a good and safe treatment is to take before meals a teaspoonful of pure Bisurated Magnesia in half a glass of hot water as hot as you can comfortable drink it. The hot water washes the mucous from the stomach walls and draws the blood to the stomach while the bisurated magnesia is an excellent solvent for mucous and increases the efficiency of the hot water treatment. Moreover the Bisurated Magnesia will serve as a powerful but harmless antacid which will neutralize any excess hydrochloric acid that may be in your stomach and sweeten its food contents. Easy, natural digestion without distress of any kind should soon follow. Bisurated Magnesia is not a laxative, is harmless, pleasant and easy to take and can be obtained from any local druggist. Don't confuse Bisurated Magnesia with other forms of magnesia, milks, citrates, etc., but get it in the pure bisurated form (powder or tablets), especially prepared for this purpose.

WOMEN IN DENTISTRY

The New York Dental College, the oldest institution of the kind in the state, will admit women next fall. The college authorities make this decision very recently, but it was too late to admit women students this year. The College of Dental and Oral Surgery has been admitting women students for many years, and each year it graduates a fair quota of woman dentists.

"There is now a great demand for young women to engage in oral and dental hygiene," explained an official of the New York Dental school. "Almost every dentist now desires the services of a woman to assist him in the work, especially in oral hygiene.

"To meet the demand we will give a special one-year course to women students. The graduates of this course will be capable of earning $40 or $50 a week as soon as they graduate, judging from the large demand for their services. Those desiring will be admitted to the regular four year course preparing them for dental practice."

HAD TO FIND HELP QUICKLY

Pittsburg Business Man, As a Last Resort, Began to Take Plant Juice.

Recently, Mr. A. B. Cook, a well-known business man of this city, who is engaged in the oil business, and resides at 63 Van Braam street, stated: "For several years I had been troubled with my stomach and I finally got so bad that I had to do something immedfately to get relief. I could not digest my food and my stomach was all bloated with gas, which gave me great distress; I was nervous and had terrible pains in my back. I read a great deal about Plant Juice and decided as a last resort, I would give it a trial. I can now eat anything I want and digest it, I sleep well, am not nervous, and in fact, I feel like a new man. I most heartily endorse Plant Juice and recommend it to others."

Such words as these are those of many others, which have been printed, have a wide influence, for they come from men of standing and integrity, who have given Plant Juice a fair trial and have been benefitted thereby.

Plant Juice is sold in East Liverpool at Larkins drug store.

CHESTER

Enoch Riley, Newsdealer, Fifth Street, has charge of The Evening Review circulation. Leave subscriptions, orders, advertisements, etc., with him. Bell phone 486.

Continued from Page Eight

of Louisiana avenue, will be conducted at the late home at 2 o'clock Sunday afternoon, Rev. E. J. Atkinson, pastor of the Chester Free Methodist church, officiating. Interment will be made in Locust Hill cemetery.

The child died Wednesday evening as the result of burns sustained last July 4, when her clothing ignited from a lighted firecracker.

CALL MEET OF LOYAL WORKERS

Employes of the Chester tin mill, who are opposed to joining the nation-wide steel strike, are to meet in the McDonald hall, corner Fifth street and Carolina avenus, Sunday afternoon, it was announced here Friday morning.

This meeting follows in the wake a conference between steel workers' organizers from Wheeling and a number of the employes of the local mill, at which time it is said close to 100 men affixed their names to a paper signiying their willingness to organize and walkout on strike when the order was given.

The plan to organize the workers in the Chester plant of the American Sheet and Tin Plate company has met with opposition since the Wheeling organizers first visited this city over a week ago, it was stated. It is said that the majority of the employes here are opposed to the walkout order and as a means of encouraging the doubtful ones to reamin at work in case an effort is made to close the mill, the meeting has been called Sunday afternoon.

An effort is to be made to organize the workers in the Wellsville plant of the American Sheet and Tin Plate company Saturday afternoon, and Chester tin mill employes believe that the walkout order will be issued to the two plants simultaneously. The fact that the strike in the Wierton mills was a failure is used as an argument that it would be useless for the men employed in the Chester works to take similar action.

Be Prepared For Influenza

Cut This Out.

Many medical men say we will probably have another epidemic this fall.

Let us all hope and pray we will not.

But at the same time let us be well prepared.

The flu as it is called, usually starts with a cold and tightness in the chest.

If you even suspect there is a chance that you may be getting influenza take a good dose of laxative tea, such as Dr. Carter's K & B Tea or Celery King and send for your physician. While you are waiting for the doctor rub Begy's Mustarine on throat and chest.

Rub it on freely and never mind if it does feel good and hot, it cannot blister even the tenderest skin.

But don't stop at throat and chest; get some one to rub this enemy of inflammation over your entire back and especially between the shoulder blades.

This is one of the most sensible precautions you can take against pneumonia, which often quickly follows the flu and is just what the doctor tries hard to sidetrack.

You can get Begy's Mustarine for 30 and 60 cents in yellow boxes all ready for use at any drug store.

Remember it is made of real yellow mustard. Use it for sore throat, coughs, chest colds, pleurisy, bronchitis, lumbago and all aches and pains.

TO LINK COUNTIES BY ROAD SYSTEM

To link together every county seat in the state, is the purpose of an organization now being formed in West Virginia, in support of a state system of highways. The West Virginia Good Roads Federation now has the support of at least ten counties in support of the state good roads amendment to the constitution.

All Hancock county is in favor of the proposed system of highways and will earnestly support the movement. Hancock county has good roads now and will always have them, is the claim. The difference in the roads here and in connecting counties can easily be seen at the county dividing lines.

Returned Soldier Visiting Here.

Alein Lonstutter of Woodlawn, Pa., is visiting his aunt, Mrs. William Basch of Indiana avenue, Chester. Mr. Lonstutter has just returned to the United States after 19 months with the American Expeditionary Forces in France.

POOR APPETITE AFTER SICKNESS

Stomach Was In Bad Condition and She Was Very Weak.

TOOK EARLE'S HYPO-COD

"I suffered from Influenza and was very much rundown and very weak. I also had a very poor appetite, could hardly eat anything, in fact as my stomach was in such a poor condition after eating I would become nauseated and had a hard time trying to keep anything on my stomach, "declared a lady of Canton whose name and address is given below.

"I bought Earle's Hypo-Cod because a physician recommended that I use it. At that time it could not be bought in Canton and I had to send away for it. I was not only built up and strengthened wonderfully by the use of Earle's Hypo-Cod, but found that it was one of the greatest stomach remedies I had ever used. It is just fine for gas on the stomach or indigestion.

"I know from my own experience that it is a good tonic and stomach remedy, I also found it also very good for the nerves," continued Miss Anna Harnam, 610 Fourteenth street, Canton, O.

Earle's Hypo-Cod contains extractives from cod liver oil, freed entirely of the fishy, nauseating taste and is most pleasant to take and agrees with the most delicate stomach. In addition Earle's Hypo-Cod contains Malt, extract, cherry bark, Iron, Wine and Syrup of Hypophosphites. The formula appears on the bottle and by submitting it to the doctor you find it has his endorsement. Druggists recommend it too. Step down to the nearest drug store and get a large bottle tonight.

CHESTER PERSONALS

Alex Mewha, of Wellsburg, a former resident, called on local friends Thursday evening.

James R. Laughlin of the Hooks-town district was visiting in town Friday.

Frank Hutton of near Asbury Chapel, was a local business caller Friday.

Al Fowler of the Pughtown road was trading in Chester Friday morning.

G. W. Thomas of Canton, was here on business Thursday.

Miss Norma Hendricks of Martins Ferry, O., has concluded a visit with local friends.

DOWN RED FLAG OF ANARCHY, HIS ADVICE

CLEVELAND, Oct. 10.—"This is a country made by and for a law abiding people. This government and its laws were established for your protection and when you meet the red flag of anarchy it is your duty to throw it in the gutter."

This was the advice of Appellate Judge Willis Vickery to 225 newly made citizens—the largest class to be Americanized at one time in many years.

It was announced that citizenship for 4,200 German and Austrian born seeking final papers is withheld pending ratification of the peace treaty.

To Relieve Catarrh, Catarrhal Deafnees And Head Noises

Persons suffering from catarrhal deafness, or who are growing hard of hearing and have head noises will be glad to know that this distressing affliction can usually be successfully treated at home by an internal medicine that in many instances has effected complete relief after other treatments have failed. Sufferers who could scarcely hear hav had their haring restored to such an extent that the tick of a watch was plainly audible seven or eight inches away from either ear. Therefore, if you know of someone who is troubled with head noises or catarrhal deafness, cut out this formula and hand it to them and you may have been the means of saving some poor sufferer perhaps from total deafness. The prescription can be prepared at home and is made as follows:

Secure from your druggist 1 oz. Parmint (Double Strength.) Take this home and add to it 1-4 pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day.

Parmint is used in this way not only to reduce by tonic action the inflammation and swelling in the Eustachian Tubes, and thus to equalize the air pressure on the drum, but to correte any excess of secretions in the middle ear and the results it gives are nearly always quick and effective.

Every person who has catarrh in any form, or distressing rumbling, hissing sounds in their ears, should give this recipe a trial.

"ALL YOU CLAIM AND THEN SOME" SAYS SAM WIRT

Well Known Locomotive Engineer Contributes Forcibly to Nerv-Worth Praise

Almost every day a new Ohio contribution of the kind mentioned! The following is a top-notcher. Hosts of railroad people know Sam Wirt. Mark his words to Springfield's Nerv-Worth druggist:

The Troupe Drug Co.—I have been in a nervous condition for years. I am an old railroad engineer. I did not get restful sleep. My stomach and digestion in bad shape. Was constipated and have had to use physic all the time. The nervousness was so severe it affected my toes and there was a twitching sensation in them. Was in run-down condition and at my age I had to get something that would strengthen my nerves. I found it in Nerv-Worth and have built my nerve force up to my normal condition and am feeling fine and on my engine every day. Nerv-Worth is certainly all its makers claim for it and then some. SAM WIRT.

1414 Lagonda Av., Springfield, O.

Larkins, the drug man, sells Nerv-Worth in East Liverpool. Dollar back if Nerv-Worth does not help you.

Neighborhood Nerv-Worth agencies: H. R. Scheff, Salineville; J. F. Calhoun, Wellsville; Welch drpg store, Toronto; Frank Huff, Chester; G. H. Stewart, Newell; F. W. Gamble, Midland, Pa.

BOOST PRICE OF MILK IN CLEVELAND

CLEVELAND, Oct. 10. — When Clevelander received their milk this pleasant news that effective today, morning, they also received the unmilk prices are a cent higher a pint and a cent higher a quart. Pints retail at ten cents now and quarts at 16c. Increased wages to employes and higher prices to producers caused the raise, the dstributors say.

Women Barbers to Stay

In England the women barber, who found an oportunity to show her skill during the war, has proved such a popular institution that she seems to have come to stay.

Women assistants are employed in a number of west end shops in London, and some shops are owned and managed by women.

MRS. MAY COULD NOT WORK

Made Well and Strong by Lydia E. Pinkham's Vegetable Compound.

Columbia, Pa.—"I was very weak and run down and had dragging-down pains and pains in my back. I could not get around to do my work and had to sit down and rest often during theday. I saw Lydia E. Pinkham's Vegetable Compound advertised in the papers and read the testimonials, so I thought I would try it. Now I am healthier than I ever was in my life, and can recommend it to any woman who suffers as I did." —Mrs. Elizabeth May, R.F.D. No. 1, Columbia, Pa.

The reason Lydia E. Pinkham's Vegetable Compound is so successful in overcoming woman's ills is because it contains the tonic, strengthening properties of good old fashioned roots and herbs, which act on the female organism. Women from all parts of the country are continually testifying to its strengthening, curative influence, and the letters which we are constantly publishing from women in every section of this country prove beyond question the merit of this famous root and herb medicine.

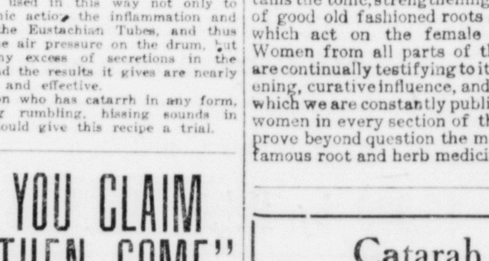

Catarah Of The Stomach Is Dangerous

"Thousands Have It and Don't Know It," Says Physician. Frequently Mistaken for Indigestion—How To Recognize and Treat.

"Thousands of people suffer more or less constantly from furred, coated tongue, bad breath, sour burning stomach, fresuent vomiting, rumbling in stomach, bitter eructations, gas, wind and stomach acidity and call it indigestion when in realty their trouble is due to gastric catarrh of the stomach," writes a New York physician.

Catarrh of the stomach is dangerous because the mucous membrane lining of the stomach is thickened and a coating of pheigm covers the surface so that the digestive fluids cannot mix with the food and digest them. This condition soon breeds deadly disease in the fermented, unassimilated food. The blood is polluted and carries the infection throughout the body. Gastric ulcers are apt to form and frequently an ulcer is the first sign of a deadly cancer.

In catarrh of the stomach a good and safe treatment is to take before meals a teaspoonful of pure Bisurated Magnesia in half a glass of hot water as hot as you can comfortable drink it. The hot water washes the mucous from the stomach walls and draws the blood to the stomach while the bisurated magnesia is an excellent solvent for mucous and increases the efficiency of the hot water treatment. Moreover the Bisurated Magnesia will serve as a powerful but harmless antacid which will neutralize any excess hydrochloric acid that may be in your stomach and sweeten its food contents. Easy, natural digestion without distress of any kind should soon follow. Bisurated Magnesia is not a laxative, is harmless, pleasant and easy to take and can be obtained from any local druggist. Don't confuse Bisurated Magnesia with other forms of magnesia, milks, citrates, etc., but get it in the pure bisurated form (powder or tablets), especially prepared for this purpose.

FORMER HEIR TO THRONE IN WRITER'S ROLE

German Crown Prince Busy Writing Book While In Exile.

ON DREARY DUTCH ISLAND

Kaiser's Son Likes to See Casual Visitors; In Excellent Spirits.

By HARRY DE WINDT.

WIERINGEN, Oct. 6.—Wieringen is less remote and isolated than it appears to be on the map. I am now staying at a tiny, comfortable inn at Hyppolytus-Hof, a Dutch toy-like little town in the center of the island, with a telegraph office, telephones and electric light. The ex-crown prince lives at Ostersund, two miles away, in a small, seven-room house, with three German ex-officers in attendance, and here the best of everything, in the shape of food, wines and cigars, finds its way from Amsterdam.

The kaiser's son likes seeing casual visitors, which, considering the dullness of his life and surroundings, is not surprising. He would have received me but for the arrival of a couple of attractive and daintily-gowned ladies, of unknown nationality, who crossed with me from the mainland. They had traveled from afar, in a large motor car, bound on the same errand as myself. On arrival at Wieringen the car was quickly landed and rushed away to Oostersund, at the other extremity of the island. I caught sight, later in the day, of the once exalted host, who appeared to be in excellent health and spirits, and who, I was told, has rendered himself as popular here as he is the reverse on the mainland. In Amsterdam the book shops were full of comic postcards depicting "Little Willie" as an object of contempt and ridicule, whereas on Wieringen I saw his ordinary photograph, in uniform, almost reverently produced for sale at the little inn at Hyppolytus-Hof.

The latter boasts of one solitary and antiquated taxicab, the driver of which, one Kaan, is the ex-crown prince's favored and constant associate, with whom he often plays billiards, football and swims in the sea. Kaan is in charge of the motorcycle on which the exile frequently scorches aimlessly up and down the island. He has only once been permitted to leave it (last December) in order to visit the kaiserin at Amsterfoort, in Holland, for forty-eight hours.

Little Willie, who is now a voracious reader of French and English novels, is writing a book (presumably his memoirs), and passes much of his time indoors, smoking innumerable cigarettes and painting the portraits of local female friends and acquaintances. Kaan proudly showed me one of his sisters in a large leather frame, surmounted by a crownless "W" in gold, which he informed me had been specially ordered for her from Berlin.

Summer sunshine and greenery alone render Wieringen tolerable. What must the place be like throughout the brief gray days and endless nights of winter, when the cold is intense and the island, half buried in snow, is constantly swept by furious gales and blizzards from the North Sea?

JAPAN TO SEND NEW AMBASSADOR TO U. S.

Mr. K. Shidehara.

Mr. K. Shidehara was recently named by his government to succeed Viscount Isnii as Japanese ambassador to the United States. This new photo of him has just been received from Japan

DONAHEY FIGHTS CLASSIFICATION ISSUE

COLUMBUS, Oct. 10.—That additions to each of the 88 court houses in Ohio will have to be built, if the proposed amendment to the Ohio Constitution, providing for classification of property for taxation purposes, is adopted at the November election, was the claim made today by State Auditor Donahey.

Donahey declared that these additions would have to be constructed in order to provide room for the extra clerks which, he claimed will be required by each county auditor and treasurer, figuring and recording the numerous tax rates, and collecting the tax under the propesed amendment.

Saturday, October 11th. Diamond cutting exhibition, Stewart's, 118 West Sixth street. Everybody welcome.

Peeping Tom In Ladies' Bath House—Near Riot

CINCINNATI — The bathing house was filled with fair bathers, chased in by the storm. All were busily engaged in changing from their bathing suits to street attire when a flash of lightning came, illuminating all of the corners.

"A man," the fair bathers screamed in unison. The man, clad in a red bathing suit, leaped through a window and made his escape.

TERRIFYING DISCOMFORTS FROM SKIN DISEASES

Itching and Burning Eruptions Torture Victims.

If your skin seems ablaze with the fiery, burning and itching of Eczema, real and lasting relief can only come from treatment that goes below the surface — that reaches down to the very source of the trouble. Skin-diseases come from a disordered condition of the blood, and search far and near, you cannot find a blood remedy that approaches S. S. S. for real efficiency. S. S. S. has been on the market for fifty years, during which time it has been giving uniform satisfaction for all disorders for which it is recommended. If you want prompt relief, you can rely upon S. S. S. For expert advice as to the treatment of your own individual case, write to-day to Chief Medical Adviser, Swift Specific Co., Dept. 44, Atlanta, Ga.

FORMER HEIR TO THRONE IN WRITER'S ROLE

German Crown Prince Busy Writing Book While In Exile.

ON DREARY DUTCH ISLAND

Kaiser's Son Likes to See Casual Visitors; In Excellent Spirits.

By HARRY DE WINDT.

WIERINGEN, Oct. 6.—Wieringen is less remote and isolated than it appears to be on the map. I am now staying at a tiny, comfortable inn at Hyppolytus-Hof, a Dutch toy-like little town in the center of the island, with a telegraph office, telephones and electric light. The ex-crown prince lives at Ostersund, two miles away, in a small, seven-room house, with three German ex-officers in attendance, and here the best of everything, in the shape of food, wines and cigars, finds its way from Amsterdam.

The kaiser's son likes seeing casual visitors, which, considering the dullness of his life and surroundings, is not surprising. He would have received me but for the arrival of a couple of attractive and daintily-gowned ladies, of unknown nationality, who crossed with me from the mainland. They had traveled from afar, in a large motor car, bound on the same errand as myself. On arrival at Wieringen the car was quickly landed and rushed away to Ostersund, at the other extremity of the island. I caught sight, later in the day, of the once exalted host, who appeared to be in excellent health and spirits, and who, I was told, has rendered himself as popular here as he is the reverse on the mainland. In Amsterdam the book shops were full of comic postcards depicting "Little Willie" as an object of contempt and ridicule, whereas on Wieringen I saw his ordinary photograph, in uniform, almost reverently produced for sale at the little inn at Hyppolytus-Hof.

The latter boasts of one solitary and antiquated taxicab, the driver of which, one Kaan, is the ex-crown prince's favored and constant associate, with whom he often plays billiards, football and swims in the sea. Kaan is in charge of the motorcycle on which the exile frequently scorches aimlessly up and down the island. He has only once been permitted to leave it (last December) in order to visit the kaiserin at Amsterfoort, in Holland, for forty-eight hours.

Little Willie, who is now a voracious reader of French and English novels, is writing a book (presumably his memoirs), and passes much of his time indoors, smoking innumerable cigarettes and painting the portraits of local female friends and acquaintances. Kaan proudly showed me one of his sisters in a large leather frame, surmounted by a crownless "W" in gold, which he informed me had been specially ordered for her from Berlin.

Summer sunshine and greenery alone render Wieringen tolerable. What must the place be like throughout the brief gray days and endless nights of winter, when the cold is intense and the island, half buried in snow, is constantly swept by furious gales and blizzards from the North Sea?

JAPAN TO SEND NEW AMBASSADOR TO U. S.

Mr. K. Shidehara.

Mr. K. Shidehara was recently named by his government to succeed Viscount Ishii as Japanese ambassador to the United States. This new photo of him has just been received from Japan

DONAHEY FIGHTS CLASSIFICATION ISSUE

COLUMBUS, Oct. 10.—That additions to each of the 88 court houses in Ohio will have to be built, if the proposed amendment to the Ohio Constitution, providing for classification of property for taxation purposes, is adopted at the November election, was the claim made today by State Auditor Donahey.

Donahey declared that these additions would have to be constructed in order to provide room for the extra clerks which, he claimed will be required by each county auditor and treasurer, figuring and recording the numerous tax rates, and collecting the tax under the propesed amendment.

Saturday, October 11th. Diamond cutting exhibition, Stewart's, 118 West Sixth street. Everybody welcome.

Peeping Tom In Ladies' Bath House—Near Riot

CINCINNATI — The bathing house was filled with fair bathers, chased in by the storm. All were busily engaged in changing from their bathing suits to street attire when a flash of lightning came, illuminating all of the corners.

"A man," the fair bathers screamed in unison. The man, clad in a red bathing suit, leaped through a window and made his escape.

TERRIFYING DISCOMFORTS FROM SKIN DISEASES

Itching and Burning Eruptions Torture Victims.

If your skin seems ablaze with the fiery, burning and itching of Eczema, real and lasting relief can only come from treatment that goes below the surface — that reaches down to the very source of the trouble. Skin-diseases come from a disordered condition of the blood, and search far and near, you cannot find a blood remedy that approaches S. S. S. for real efficiency. S. S. S. has been on the market for fifty years, during which time it has been giving uniform satisfaction for all disorders for which it is recommended. If you want prompt relief, you can rely upon S. S. S. For expert advice as to the treatment of your own individual case, write to-day to Chief Medical Adviser, Swift Specific Co., Dept. 44, Atlanta, Ga.

GIRL IS FAMOUS FOR HER MEMORY

Gay Zenola MacLaren.

Gay Zenola MacLaren has added a new profession to the already long list of "Things That Women Can Do." She reproduces the best plays of Broadway perfectly, after hearing them but two or three times. She is known all over America as "The One Girl Show," and the government sent her to Panama five times to entertain the workers when "the big ditch" was being dug. Miss MacLaren has never seen a text of a single play she has presented.

ANNIVERSARY OF "FLU" OUTBREAK; NO CASES

On the anniversary of the outbreak of the dread Spanish influenza epidemic, not a single case of the "flu" has been reported to leocal health authorities, City Health Officer J. W. Chetwynd announced Friday.

A year ago Friday the epidemic spread to East Liverpool when a single case of the malady was reported. Every precaution is being taken by local physicians and health officials to prevent a recurrence of the epidemic, Health Officer Chetwynd said.

Thieves Kind to Kiddies, But Rob Daddy of $27

ST, LOUIS, Mo.—Two men in an automobile blocked the path of Frederick B. Tressler here. One of them got out and covering Tressler with a revolver ordered him ito put up his hands. Tressler's two children, who were in the car with him, began crying:

"Don't cry," one of the robbers said gently. "We won't hurt your daddy." Then addressing Tressler: "We are sorry to have to do this."

Whereupon he relieved Tressler of $27.

GABY DESLYS NOT READY TO MARRY

NEW YORK, Oct. 10.—Gaby Deslys, internationally famous dancer, who arrived here from Paris today, declared that she will not marry until she is ready to retire from the stage for good. Then, she declared, she must have a husband capable of supporting her "and a lot of babies."

STATE ISSUE IS APPROVED

COLUMBUS, Oct. 10.—The Ohio Board of Commerce has endorsed the pending classification of property amendment. Through George L. Pomeroy, president of the board, an open letter has been addressed to all manufacturers' of the state urging that they suport the amendment. Pomeroy calls the attention of the manufacturer that his property is tangible; thath it is represented by lands, buildings, machinery or products. "The local and state tax is assessed to the limit against you," he said.

One of Pomeroy's arguments is that the states where classification is in effect, the result has been that a fairer rat is put on intangible property, and that this reduces the burden on the tangible property.

"Whatever else may be said in favor of the classification amendment it is true that it is time for Ohio to break away from the archaic uniform rule which is in effect now only in 12 states. I classification is endorsed it will merely give the legislature power to work out fair tax rule. It will be up to the legislature to determine classes and rates. And if classification is not the success its proponents claim for it, Ohio can get back the uniform rule by mere legislative action.

"For more than twenty years this board has favored classification. To make Ohio a better state in which to earn a living, operate a business and own property, the Ohio State Board of Commerce believes the pending classification amendment should be adopted.

Saturday, October 11th. Diamond cutting exhibition, Stewart's, 118 West Sixth street. Everybody welcome.

SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

You can turn gray, faded hair beautifully dark and lustrous almost over night if you'll get a bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea recipe, improved by the addition of other ingredients, are sold annually, says a well known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

AVOID THE "FLU" BUILD UP NOW

You can Almost surely Escape the "Flu" and Grippy Colds This Fall by Taking Chasco-Vin a Most Palatable Body-Building Tonic.

Don't put it off—it is much easier to keep the "Flu" away than it is to cure it.

No one would have the awful experfence of a year ago repeated hence all should take every precaution especially those who are weak, nervous and run-down. They absolutely need Chasco-Vin.

During the last epidemic thousands were safeguarded by taking Chasco-Vin, a body-building tonic that does build.

It is the toning up of the system that counts in keeping the "Flu" away.

In conjunction with Chasco-Vin we advise using a good anti-septic solution for the throat and nose and also that the bowels be kept open.

Chasco-Vin is sold by Flick's Pharmacy, In East End, Carnahan's Pharmacy.

Asserts New Discovery Brings Blessed Relief To Rose and Hay Fever Sufferers

Can Make It Yourself At Home At Trifling Expense

In spite of all the doubters and scoffers, a man in Kentucky, who changed his annoying and distressing hay fever into less than a mild cold, claims most emphatically that if taken in time hay fever can be conquered or at least made so harmless that it is not even bothersome.

He gave his discovery to scores of other sufferers with the most remarkable results and has recently been prevailed upon to dispense it through pharmacists to all hay fever sufferers who still have faith that nature has provided an effective remedy for this common yet miserable disease.

And best of all this remedy costs almost nothing. Get a one ounce bottle of Meatholized Arcine at any drug store, pour the contents into a pint bottle and fill the pint bottle with water that has been boiled.

Then gargle as directed and twice daily snuff or spray each nostril thoroughly.

That's all there is to it; so simple that a lot of people will say that it can't do the work; but oftentimes simple natural remedies are the best as you will find after using.

If you will make up a pint and use it for a week or ten days you need not be surprised if your unwelcome yearly visitor fails to appear.

URGE STRIKERS TO SAVE FOOD

NEW YORK, Oct. 10. — Federal Food Administrator Arthur Williams, fearing that five thousand carloads of perishable food will rot on the docks here, announced today he will strive to persude striking longshoremen to handle the food during the negotiations that have been opened between the strikers and their employers for more pay.

A committee of three of the local unions, representatives of the shipping interests and the national adjustment commission met today in an effort to settle the strike which is estimated to have made 100,000 men idle. It was reported the strike may spread to the port terminals, including firemen, deck hands, cooks and water tenders on boats. Marine firemen are reported to have voted not to operate boilers operated by non-union men.

Leaders of the International Longshoremen's association have succeeded in inducing the strikers to replace their case in the hands of the union, failing however, to win a promise of a return to work during negotiations.

Saturday, October 11th. Diamond cutting exhibition, Stewart's, 118 West Sixth street. Everybody welcome.

PALE, WEAK, NERVOUS

The Condition of Many Men, Women and Children.

To be well and strong and to have a good healthy color, be sure to try the real iron tonic Peptiron by which many men and women have been greatly benefited. Peptiron is an excellent combination of iron and manganese with nux, celery, pepsin and other tonics and digestives, and is made with special references to the needs of pale, weak, nervous sufferers. It is both medicine and food for the blood and nerves, and is signally effective in the treatment of anemia and neurasthenia.

"My daughter is taking Peptiron for nervousness and feeling better." Sarah F. Germond, Philmont, N. Y.

Made by C. I. Hood Co., Lowell, Mass.

TOUCH OF CLOTHES GAVE DAYTON MAN SEVERE SUFFERING

Operation for Gall-stones and Appendicitis Left Him In Bad Condition. Bowels were Sore; Stomach Swollen; Very Nervous.

Declares that Dreco has Brought Much Relief by Overcoming His Troubles.

"A year ago I was operated on for appendicitis and gall stones and have suffered greatly ever since," states John E. Fay of 51 Campbell St., Dayton, Ohio., the popular lumber buyer for the International Shaft Co.

"It was a rare excepton for me to get any sleep, for the pains kept me awake night after night. My stomach was so sore and swollen I could hardly bear for my clothes to touch me; at times I was so constipated that it seemed my bowels were locked. I was almost unfit for my work.

"Someone recommended Dreco to me ,saying it had helped them, so I took a chance on a bottle. I now feel that fate guided me to buy Dreco, for I'm almost a well man today. All the soreness and pains in my stomach and bowels are gone; bowels are acting regularly; my appetite has returned, for I eat three meals a day and enjoy them. I rise of mornings feeling full of energy and ambitious to get to work. I'm going out on a trip today, and it is the first time I've felt keen to go in a long time. This is grand medicine and has made a new man out of me."

Dreco acts on the vital organs promptly and in a pleasing fashion. It eases the stomach and assists it to digest the food properly; gives strength to the kidneys; works the bile from the liver; overcomes constipation: banishes rheumatism and tones up the entire system.

All good druggists new sell Dreco, and it is highly recommended in this city by Flick's drug store.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

URGE STRIKERS TO SAVE FOOD

NEW YORK, Oct. 10. — Federal Food Administrator Arthur Williams, fearing that five thousand carloads of perishable food will rot on the docks here, announced today he will strive to persude striking longshoremen to handle the food during the negotiations that have been opened between the strikers and their employers for more pay.

A committee of three of the local unions, representatives of the shipping interests and the national adjustment commission met today in an effort to settle the strike which is estimated to have made 100,000 men idle. It was reported the strike may spread to the port terminals, including firemen, deck hands, cooks and water tenders on boats. Marine firemen are reported to have voted not to operate boilers operated by non-union men.

Leaders of the International Longshoremen's association have succeeded in inducing the strikers to replace their case in the hands of the union, failing however, to win a promise of a return to work during negotiations.

Saturday, October 11th. Diamond cutting exhibition, Stewart's, 118 West Sixth street. Everybody welcome.

PALE, WEAK, NERVOUS

The Condition of Many Men, Women and Children.

To be well and strong and to have a good healthy color, be sure to try the real iron tonic Peptiron by which many men and women have been greatly benefited. Peptiron is an excellent combination of iron and manganese with nux, celery, pepsin and other tonics and digestives, and is made with special references to the needs of pale, weak, nervous sufferers. It is both medicine and food for the blood and nerves, and is signally effective in the treatment of anemia and neurasthenia.

"My daughter is taking Peptiron for nervousness and feeling better." Sarah F. Germond, Philmont, N. Y.

Made by C. I. Hood Co., Lowell, Mass.

TOUCH OF CLOTHES GAVE DAYTON MAN SEVERE SUFFERING

Operation for Gall-stones and Appendicitis Left Him In Bad Condition. Bowels were Sore; Stomach Swollen; Very Nervous.

Declares that Dreco has Brought Much Relief by Overcoming His Troubles.

"A year ago I was operated on for appendicitis and gall stones and have suffered greatly ever since," states John E. Fay of 51 Campbell St., Dayton, Ohio., the popular lumber buyer for the International Shaft Co.

"It was a rare excepton for me to get any sleep, for the pains kept me awake night after night. My stomach was so sore and swollen I could hardly bear for my clothes to touch me; at times I was so constipated that it seemed my bowels were locked. I was almost unfit for my work.

"Someone recommended Dreco to me ,saying it had helped them, so I took a chance on a bottle. I now feel that fate guided me to buy Dreco, for I'm almost a well man today. All the soreness and pains in my stomach and bowels are gone; bowels are acting regularly; my appetite has returned, for I eat three meals a day and enjoy them. I rise of mornings feeling full of energy and ambitious to get to work. I'm going out on a trip today, and it is the first time I've felt keen to go in a long time. This is grand medicine and has made a new man out of me."

Dreco acts on the vital organs promptly and in a pleasing fashion. It eases the stomach and assists it to digest the food properly; gives strength to the kidneys; works the bile from the liver; overcomes constipation: banishes rheumatism and tones up the entire system.

All good druggists new sell Dreco, and it is highly recommended in this city by Flick's drug store.

IF POSLAM CAN HELP YOUR SKIN --DO LET IT

If Poslam holds any comfort, any satisfaction for you in being the means to relieve and eradicate eczema or any stubborn skin trouble, let it bring you these benefits at once. They will seem ever so welcome if you have suffered long. There is no risk; Poslam cannot harm; its work is known to be highly successful. Soothes, stops itching, brings quick improvement. A little does much because it is highly concentrated. Clears red, inflamed complexions overnight.

Sold everywhere. For free sample write to Emergency Laboratories, 243 West 47th St., New York City.

Urge your skin to become clearer, brighter, healthier by use of Poslam Soap, medicated with Poslam.

AVOID THE "FLU" BUILD UP NOW

You can Almost surely Escape the "Flu" and Grippy Colds This Fall by Taking Chasco-Vin a Most Palatable Body-Building Tonic.

Don't put it off—it is much easier to keep the "Flu" away than it is to cure it.

No one would have the awful experience of a year ago repeated hence all should take every precaution especially those who are weak, nervous and run-down. They absolutely need Chasco-Vin.

During the last epidemic thousands were safeguarded by taking Chasco-Vin, a body-building tonic that does build.

It is the toning up of the system that counts in keeping the "Flu" away.

In conjunction with Chasco-Vin we advise using a good anti-septic solution for the throat and nose and also that the bowels be kept open.

Chasco-Vin is sold by Flick's Pharmacy, In East End, Carnahan's Pharmacy.

Asserts New Discovery Brings Blessed Relief To Rose and Hay Fever Sufferers

Can Make It Yourself At Home At Trifling Expense

In spite of all the doubters and scoffers, a man in Kentucky, who changed his annoying and distressing hay fever into less than a mild cold, claims most emphatically that if taken in time hay fever can be conquered or at least made so harmless that it is not even bothersome.

He gave his discovery to scores of other sufferers with the most remarkable results and has recently been prevailed upon to dispense it through pharmacists to all hay fever sufferers who still have faith that nature has provided an effective remedy for this common yet miserable disease.

And best of all this remedy costs almost nothing. Get a one ounce bottle of Mentholized Arcine at any drug store, pour the contents into a pint bottle and fill the pint bottle with water that has been boiled.

Then gargle as directed and twice daily snuff or spray each nostril thoroughly.

That's all there is to it; so simple that a lot of people will say that it can't do the work; but oftentimes simple natural remedies are the best as you will find after using.

If you will make up a pint and use it for a week or ten days you need not be surprised if your unwelcome yearly visitor fails to appear.

DR. L. F. VOKE

Will Make His 316th Visit to COLUMBIANA COUNTY, EAST LIVERPOOL,

CITY NURSES CONFER HERE

Co-ordination of the work of visiting nurses in the employ of the city's schools on the Civilian Relief-Home Service to prevent repetition and wasted efficiency, was discussed at a conference between Miss Mary Augustine, public health nurse, with the lake division of the American Red Cross in Cleveland; Miss Lillian Willshaw, visiting nurse for the joint mercy organization of this city and Dr. Anna Taylor, school nurse, Thursday afternoon in the high school building.

Miss Augustine conferred with members of the executive committee of the Home Service-Civilian Relief at Home Service headquarters at 10 o'clock Thursday morning. A review of the proposed activities of Miss Willshaw in connection with the peace-time program of the local organization was made by Miss Augustine and approved.

The plan to co-ordinate the work of the Home Service visiting nurse and the school nurse in East Liverpool has long been contemplated, inasmuch as their general duties are along similar lines.

Ogilvie's Store News

The Free Sewing machine is the Easiest and lightest running machine made—We allow you $12 for your old machine.

VOL. VI. EAST LIVERPOOL, OHIO, FRIDAY, OCTOBER 10, 1919. EDITION 19

These Early October Days Are Full Of Interest At Ogilvie's

Good Blankets and Comforts Fairly Priced

Inferior blankets and quilts don't pay, at least it wouldn't pay us to sell them, especially when we can get the dependable kinds to sell as low as they can regularly be sold for.

Reliable blankets and quilts at fair prices are a safe investment. Inferior blankets and quilts even at seemingly low prices are at best a speculation.

We believe we have blankets of every kind that anybody can desire and as for good, clean, cotton filled comforts, our stocks are sure to satisfy.

For Making Bath Robes

We are showing a collection of the New Robe Cloths. A heavy material with a soft fleecy finish. Various patterns and colors suitable for men, women and children. They're 27 inches wide and the price 75c yard.

Domestic Section—First floor

The Matter of New Gloves

is claiming the attention of maids and matrons these days. We have just received several new shipments of perfect fitting gloves in the wanted shades and colors for fall and winter wear. A wonderful showing of kid gloves at $3 to $6. White with black stitching, black with white stitching, plain white and black. Grey, tan, mode, taupe, brown and champagne. Gauntlet gloves—brown with grey trimming $4.25. Extra high gauntlet gloves, black with white trimming, brown with mode and grey with black, $6.00. Mocha gloves in grey and brown, $3.00.

Ivory Pyralin

We received a letter from the makers of Pyralin Ivory a few weeks ago, stating that they would be unable to accept any more orders this season.

Our stock will likely be depleted before the end of the season, but right now we have a very large and complete stock. If you expect to buy any Pyralin Ivory this season our advice to you is buy now. We might mention that we are showing the Imperial, La Belle, and also the dainty decorated pieces in blue and pink. Pyralin Ivory is truly an expression of the finest art of American workmanship in toiletware.

Silk Velveteen with Fur Is an Ideal Combination

You may have the velveteen in the form of a dress, and either trim it with fur or wear furs with it, or in the form of a handsome fur-trimmed suit or a wrap. Velveteen is certainly starting out to be one of the foremost fashion fabrics of the winter. A new shipment last week brought us six of the fashionable colors: Plum, copenhagen, seal brown, navy, ruby, black. They're 44 inches wide and the price $4.50 yard.

With All the Beautiful New Coats Assembled Here, It Is Easy to Choose Your Coat

What kind of a New Coat to get for winter is the problem for most every woman just at present. The problem may be solved quite simply in our coat store for all the new and representative fashions of the Winter are ready. The emphasis which this store places on the quality of all coats that enter our stock affords our customers a positive assurance of immediate and ultimate satisfaction. Nor is there less attention paid to the question of style. Every model is original—gracefully modeled on correct lines that give the maximum of fit and may be unhesitatingly accepted as in perfect harmony with the latest dictates of Fashion. In producing the effective styles of Ogilve coats the designs had a genuine source of inspiration in the beautiful materials they used. The very names of these fabrics expressed to some extent their soft beauty. For example:—Camelion Cords, Tinseltone, Silver Tip Bolivia, Silvertone, Duva de Lane, Velours, Peach Bloom, Broadcloths and chinchilla. A great many of the coats this season are trimmed with fur collars and cuffs. Others with just fancy buttons. The linings this season are simply beautiful. Fancy figured effects in rich tones of color that harmonize with the coats. Prices $22.50 to $175.00.

Carter's Union Suits for Women Who Want the Best A Special at $1.75

The sting in the air suggests heavier underwear for women, right now in for women and right now in our underwear section we are showing a splendid Carter's Union Suits at $1.75 for regular sizes, $3 for extra large sizes. Maybe had in three different styles. Sleeveless, elbow sleeves or long sleeves with dainty crocheted neck. Right now a good time to buy your winter's supply.

Men's New Bath Robes are Ready

We are showing now in our blanket section the men's new bath robes, attractive designs in a variety of the colors men like. These robes are made right and finished correctly. The prices are $6.50 to $10.25.

By all Means, Let Us Have Fresh Air In Our Homes.

Fresh air without draught for the bedrooms, the living rooms and, above all, the rooms where the youngsters sleep and play. The "Continental" Ventilator lets in the air, while screening out the impurities—the dust, rain and snow—and preventing draughts. Priced according to size, 50c to 75c each.

—Basement Store

A Little Group of Men's Fibre Silk Half Hose at 40c.

We carried these over from last season. It represents a broken line and they are equal to the 65c grade of this season. While we do not have every size in every color, nevertheless we have most all sizes in black, white, grey, tan and navy. It will pay you to lay in a season's supply at this price.

HALLOWE'EN

is on the way and if you don't look out the goblins will get you. We are ready with a complete line of all the things that go to make the Hallowe'en party a success. Luncheon sets, table covers, doilies, napkins, noise makers, cute little favors and plenty of decorations for the home. Right now is the very best time to buy while stocks are large and complete.

Charming New Veilings

Recent shipments have brought us an assembly of pretty new veilings in a wonderful variety of patterns and designs. Some with French dots, others with chenille dot borders, some have large meshes, others small. And then we have the popular French veilings; most all the wanted colors are represented. Prices 50c to $1.25.

The small Fitwell veils with elastic in all shades, 25c and 50c.

New Rag Rugs Out of the Ordinary

We have just received a shipment of the prettiest rag rugs we have ever seen. In the first place every rug has a conventional border woven into it. In the next place they are unusually heavy in fact just about twice the weight of the ordinary rag rugs. And the colors are unusually attractive. A pretty blue, rose or brown. Three sizes—

24x48 inches at $3.00
27x54 inches at $3.50
36x72 inches at $5.50

—Curtain Section—Second floor

Time to Think About New Window Curtains

And this news is written to call your attention to that fact and also to remind you that this store is ready with a great collection of curtains in the new patterns and designs ready for your early choosing. We hardly need to remind you that it will pay you to choose now while stocks are large and complete. Just to give you some idea of our collection we mention these few—

Filet Net Lace Curtains, $2.00 to $9.50 pair.
Point de Chine Curtains, $6.75 to $12.50 pair.
Fine Brussels Net Curtains, $10 to $17.50 pair.
Long Wear Cable Net Curtains $6 to $7 pair.
Madras Curtains, $3.75 pair.
Nottingham Lace Curtains, $2 to $4.50 pair.
Marquisette Curtains, $2.50 to $7 pair.
Voile Curtains, $8.75 to $12.50 pair.
Panel Curtains that will fit any width window at 85c to $1.75 each.

Imitation Leathers for Recovering Furniture

And do you know that these imitation leathers will actually wear better than a cheap split leather.

No trouble at all to recover that old piece of furniture and make it look like new. Spanish finish 50 inches wide $2.25 to $3.25. Black imitation leather $1.50 to $3.25 yd. Tacks and gimps to mattch.

—Curtain Section—Second floor

Duckling Fleece for Kimonas

Just the right weight and with enough warmth for winter wear.

Women who expect to make Kimonos will be delighted with the great variety of patterns and colors that are assembled here.

Webster's School Dictionaries

In our basement book store you'll find the various school dictionaries, Elementary, Intermediate, Students Common school and High school edition. Prices 25c to $1.75.

—Underwear Section—First floor

WITH THE WOMEN OF TODAY

Unusual it may seem, but the organized nurserymen of Washington, Oregon, Idaho, Montana, California, Utah and British Columbia are not headed by a nurseryman but by a nurserywoman.

She is Mrs. Robert Day of Spokane, Wash., and her title is "president of the Pacific Coast Nurserymen's Association." Two hundred active members are on the association's rolls and Mrs. Day is about the only woman on the list. But that is not the reason they elected her president at their recent convention in Portland, Ore. It was because she believes in it so much that she naturally leads right off when anything pertaining to the business is under discussion.

"I started in to the business when I was just sixteen years old," says Mrs. Day. "That was in 1912."

And now that it's out that Mrs. Day is just twenty-three, it might be explained that she has been complete boss of a nursery establishment in Spokane since she was eighteen years old. Then she was known as Miss Ruth Diehl and she was employed by her uncle as clerk and bookkeeper. When he died in September, 1914, she took over the business.

"Of course my husband helps me now," she explains. "We were married two years ago and he and I work together."

Girls Wanted on Farms.

While he opinion prevails that the work of the New York State Woman's Land Army is over for the season, and that girls are not again needed for farm work until next spring, this is not the case. Farmers in many localities are depending upon the Land Army for the harvesting of their crops, and in Central New York where there are hundreds of acres of vineyards and orchard land the girls are needed to pick grapes, sort and pack the fruit. In all of the camps open at the present time, girls enlisting now are issued work until November and some until Thanksgiving time. All girls enlisting for service with the Land Army receive $15 a month and maintenance; the latter includes excellent food, fresh vegetables and milk direct from the dairy.

Operators Win Strike.

The strike of the telephone operators, inaugurated June 27, in Illinois, ended when operators returned to work in the Pana, Taylorville, Kincaid and Stonington exchanges. The company grants all the demands of the strikers. Arbitration of future disputes is provided for.

Many women throughout the country are taking a stand on the League of Nations and although I have no statistics at hand it seems that the majority of them are lining up on the side which wants the league adopted and adopted promptly. One of the most recent advocates of prompt action on the league is Miss Florence King of Chicago.

Miss King, as many women will remember became famous as the only woman lawyer who ever won a case in the United States supreme court. As president of the National Woman's Association of Commerce of Chicago, Miss King urges in behalf of the organization that the senate take prompt action on the treaty.

"Since the senate is still wrestling with the treaty and the League of Nations, it is time for them to stop charging that women can't make up their minds," says Miss King. "And they had better hurry up and make up their own."

Clever Idea in Toys.

Miss Mildred Cowles, illustrator and interior decorator, is the originator of an entirely new idea in toyland which has attracted the attention of artists and promises to revolutionize the nursery. "I'm tired of atavistic boys," said Miss Cowles, who is a cousin of Admiral Cowles, of the United States navy. "I shall make only futurist toys."

And so she set to work upon a Persian Noah's Ark, using the figures in a Persian rug and a rare old Persian miniature as her models. Her work with the jigsaw and the paint pot was so successful, the first ark was exhibited at the National Arts club and later sent to England to a member of the nobility for her children's nursery. Still another set is in the permanent exhibit at the Art Institute in Chicago. Miss Cowles has spent her summer working away at other sets in her studio in New York city.

Columbus—Members of the University Grange are making arrangements for the entertainment of visitors at the annual state grange meeting here in December. College stunts will be featured at the university armory.

Ogilvie's Store News

The Free Sewing machine is the Easiest and lightest running machine made—We allow you $12 for your old machine.

VOL. VI. EAST LIVERPOOL, OHIO, FRIDAY, OCTOBER 10, 1919. EDITION 19

These Early October Days Are Full Of Interest At Ogilvie's

Good Blankets and Comforts Fairly Priced

Inferior blankets and quilts don't pay, at least it wouldn't pay us to sell them, especially when we can get the dependable kinds to sell as low as they can regularly be sold for.

Reliable blankets and quilts at fair prices are a safe investment. Inferior blankets and quilts even at seemingly low prices are at best a speculation.

We believe we have blankets of every kind that anybody can desire and as for good, clean, cotton filled comforts, our stocks are sure to satisfy.

For Making Bath Robes

We are showing a collection of the New Robe Cloths. A heavy material with a soft fleecy finish. Various patterns and colors suitable for men, women and children. They're 27 inches wide and the price 75c yard.

Domestic Section—First floor

Ivory Pyralin

We received a letter from the makers of Pyralin Ivory a few weeks ago, stating that they would be unable to accept any more orders this season.

Our stock will likely be depleted before the end of the season, but right now we have a very large and complete stock. If you expect to buy any Pyralin Ivory this season our advice to you is buy now. We might mention that we are showing the Imperial, La Belle, and also the dainty decorated pieces in blue and pink. Pyralin Ivory is truly an expression of the finest art of American workmanship in toiletware.

The Matter of New Gloves

Is claiming the attention of maids and matrons these days. We have just received several new shipments of perfect fitting gloves in the wanted shades and colors for fall and winter wear. A wonderful showing of kid gloves at $3 to $6. White with black stitching, black with white stitching, plain white and black. Grey, tan, mode, taupe, brown and champagne. Gauntlet gloves—brown with grey trimming $4.25. Extra high gauntlet gloves, black with white trimming, brown with mode and grey with black, $6.00. Mocha gloves in grey and brown, $3.00.

Silk Velveteen with Fur Is an Ideal Combination

You may have the velveteen in the form of a dress, and either trim it with fur or wear furs with it, or in the form of a handsome fur-trimmed suit or a wrap. Velveteen is certainly starting out to be one of the foremost fashion fabrics of the winter. A new shipment last week brought us six of the fashionable colors: Plum, copenhagen, seal brown, navy, ruby, black. They're 44 inches wide and the price $4.50 yard.

With All the Beautiful New Coats Assembled Here, It Is Easy to Choose Your Coat

What kind of a New Coat to get for winter is the problem for most every woman just at present. The problem may be solved quite simply in our coat store for all the new and representative fashions of the Winter are ready. The emphasis which this store places on the quality of all coats that enter our stock affords our customers a positive assurance of immediate and ultimate satisfaction. Nor is there less attention paid to the question of style. Every model is original—gracefully modeled on correct lines that give the maximum of fit and may be unhesitatingly accepted as in perfect harmony with the latest dictates of Fashion. In producing the effective styles of Ogilve coats the designs had a genuine source of inspiration in the beautiful materials they used. The very names of these fabrics expressed to some extent their soft beauty. For example:—Camelion Cords, Tinseltone, Silver Tip Bolivia, Silvertone, Duva de Lane, Velours, Peach Bloom, Broadcloths and chinchilla. A great many of the coats this season are trimmed with fur collars and cuffs. Others with just fancy buttons. The linings this season are simply beautiful. Fancy figured effects in rich tones of color that harmonize with the coats. Prices $22.50 to $175.00.

Carter's Union Suits for Women Who Want the Best A Special at $1.75

The sting in the air suggests heavier underwear for women, right now in for women and right now in our underwear section we are showing a splendid Carter's Union Suits at $1.75 for regular sizes, $2 for extra large sizes. Maybe had in three different styles. Sleeveless, elbow sleeves or long sleeves with dainty crocheted neck. Right now a good time to buy your winter's supply.

Men's New Bath Robes are Ready

We are showing now in our blanket section the men's new bath robes, attractive designs in a variety of the colors men like. These robes are made right and finished correctly. The prices are $6.50 to $10.25.

By all Means, Let Us Have Fresh Air In Our Homes.

Fresh air without draught for the bedrooms, the living rooms and, above all, the rooms where the youngsters sleep and play. The "Continental" Ventilator lets in the air, while screening out the impurities—the dust, rain and snow—and preventing draughts. Priced according to size, 50c to 75c each.
—Basement Store

A Little Group of Men's Fibre Silk Half Hose at 40c.

We carried these over from last season. It represents a broken line and they are equal to the 65c grade of this season. While we do not have every size in every color, nevertheless we have most all sizes in black, white, grey, tan and navy. It will pay you to lay in a season's supply at this price.

HALLOWE'EN

is on the way and if you don't look out the goblins will get you. We are ready with a complete line of all the things that go to make the Hallowe'en party a success. Luncheon sets, table covers, doilies, napkins, noise makers, cute little favors and plenty of decorations for the home. Right now is the very best time to buy while stocks are large and complete.

Charming New Veilings

Recent shipments have brought us an assembly of pretty new veilings in a wonderful variety of patterns and designs. Some with French dots, others with chenille dot borders, some have large meshes, others small. And then we have the popular French veilings; most all the wanted colors are represented. Prices 50c to $1.25.

The small Fitwell veils with elastic in all shades, 25c and 50c.

New Rag Rugs Out of the Ordinary

We have just received a shipment of the prettiest rag rugs we have ever seen. In the first place every rug has a conventional border woven into it. In the next place they are unusually heavy in fact just about twice the weight of the ordinary rag rugs. And the colors are unusually attractive. A pretty blue, rose or brown. Three sizes—

24x48 inches at $3.00
27x54 inches at $3.50
36x72 inches at $5.50

BODY IS MADE TRANSPARENT BY NEW FLUID

Invention by French Physician Makes Study of Every Fibre Possible.

BETTER THAN E-RAY

Romantic Story of Seven Years' Work On Fluid.

By NORMAN WATSON.

LONDON, Oct. 10.—A new invention, more remarkable in many ways than the X-ray, has just been perfected by a French scientist, Dr. Jules H. Stean.

The new discovery which Dr. Stean calls the "X-ray fluid" is a liquid, the action of which reveals every detail in the structure of an organism on which it is brought to bear.

When an X-ray is turned on a living thing, or part of such, the bones only stand out in silhouette. When the same things is submerged in the wonderful new fluid, veins, arteries, tissues and the smallest details stand out clearly.

The perfection of the fluid required seven years of unremitting work. The manner in which the germ of the idea was born is as romantic as the story of Watt and his steam engine.

Sitting at work one day in his laboratory, Dr. Stean suddenly noticed a drop of oil falling upon a piece of paper made the paper transparent. He asked himself the question, if a drop of oil renders paper transparent might there not be some fluid which would penetrate other substances and make them transparent.

He set himself the task of finding a liquid with a high index of refraction to which a preservative and something that would check evaporation could be added.

If he found it he would be able to make the human body, or any specimen of atomical study as transparent as he desired. The principle being not to force artificial light through a substance, but by means of the fluid make it pervious to natural light. Dr. Stean's labors eventually were crowned with success.

Writing about his discovery, he says:

"The discovery of the X-rays and their action made it possible to examine the bones of living persons for study in medical science. But for the pathological laboratory and the study of dead body parts, the X-rays are not much use, because the finer details are either lost or made flat and uninteresting. The pathologist needed a preparation with which he could study from all sides and from every point of view.

"It was therefore my endeavor to find a means to study the body parts—the muscular system and the bone structure.

"I found it in my X-ray solution—a fluid which, like the X-rays, penetrates the outer skin and the flesh, but shows not only the bone structure but the finer muscular system."

The degree of transparency obtained by the action of the fluid can be regulated by the operator. It is said a board can be made as clear as glass so that a newspaper can be read through it.

In the case of rare and valuable specimens the advantages of the Stean process can at the same time be preserved and examined.

ATTENTION, FELLOWS, THEY'RE AFTER U. S. HUSBANDS

The Scotch lassies and their chaperone.

A party of Scotch girls—properly chaperoned of course—has come to America to search for husbands. This picture shows the bonny seekers on their arrival in New York. Left to right they are: May McInroy, Lillian Gould, three sisters who are Margeret, Nessie and Ellen Goldie; Gladys Hutley and, in front, Mrs. Robert Aitken, chaperone. The main qualifications the girls will ask aren't known.

PROF. TODD WILL ATTEMPT TO COMMUNICATE WITH MARS

OMAHA, Neb. — According to an announcement made by Leo Stephens, balloon instructor at Fort Omaha, an attempt will be made by Prof. David Todd to communicate with the planet Mars in a balloon made and piloted by Stephens this fall. The gas bag will be the largest ever constructed, it is said, and will ascend to an altitude of about 50,000 feet. Its capacity will be approximately 140,000 feet.

Bucyrus—Even a doctor's prescription cannot get you a drink of "red licker" in Bucyrus. Not a single druggist has taken out a federal license to handle spirits fermenti.

Youngstown—Officials of the Carnegie Steel company say they are in no hurry to resume operations, although there are many men ready to return to work.

GOB RETURNS TO HOME HERE

Harvey Price, East Third street, arrived home Thursday after 13 months' service in the U. S. navy.

Price enlisted as an able seaman in September, 1918, and was shipped aboard an American man-o'-war bound for France. After a short cruise in foreign waters, Price was placed on the U. S. S. Buffalo on which he served during the remainder of his enlistment.

The Buffalo was stationed after the cessation of hostilities at Gibraltar and the Azores. Price saw the NC-4 while it rested at Ponta Del Gada on its historic cross-Atlantic flight a few months ago. He was sent to East Liberty, Pa., a few days ago and discharged from the service.

GRASSHOPPER INVASION OF OKLAHOMA CITY

OKLAHOMA CITY, Kan. — Grasshopper tales of Kansas were recalled here one day recently when Grand avenue and many streets south were literally swarming with "hoppers." The entire down town sections seemed to be "on the hop."

The unwelcome visitors made themselves as much at home as a bunch of visiting Rotarians at a convention. Needless to say, when the hoppers suddenly took their departure the city heaved a sigh of relief.

Springfield — Unless five more students of Springfield high school get the consent of their parents as required by Principal Tiffany, there will be no foot ball game with North high, Columbus, Saturday. Six players have received consent in writing. This was made necessary following the fatal accident at the opening of the season in which the Urbana high school fullback was injured so that he died.

BODY IS MADE TRANSPARENT BY NEW FLUID

Invention by French Physician Makes Study of Every Fibre Possible.

BETTER THAN E-RAY

Romantic Story of Seven Years' Work On Fluid.

By NORMAN WATSON.

LONDON, Oct. 10.—A new invention, more remarkable in many ways than the X-ray, has just been perfected by a French scientist, Dr. Jules H. Stean.

The new discovery which Dr. Stean calls the "X-ray fluid" is a liquid, the action of which reveals every detail in the structure of an organism on which it is brought to bear.

When an X-ray is turned on a living thing, or part of such, the bones only stand out in silhouette. When the same things is submerged in the wonderful new fluid, veins, arteries, tissues and the smallest details stand out clearly.

The perfection of the fluid required seven years of unremitting work. The manner in which the germ of the idea was born is as romantic as the story of Watt and his steam engine.

Sitting at work one day in his laboratory, Dr. Stean suddenly noticed a drop of oil falling upon a piece of paper made the paper transparent. He asked himself the question, if a drop of oil renders paper transparent might there not be some fluid which would penetrate other substances and make them transparent.

He set himself the task of finding a liquid with a high index of refraction to which a preservative and something that would check evaporation could be added.

If he found it he would be able to make the human body, or any specimen of atomical study as transparent as he desired. The principle being not to force artificial light through a substance, but by means of the fluid make it pervious to natural light. Dr. Stean's labors eventually were crowned with success.

Writing about his discovery, he says:

"The discovery of the X-rays and their action made it possible to examine the bones of living persons for study in medical science. But for the pathological laboratory and the study of dead body parts, the X-rays are not much use, because the finer details are either lost or made flat and uninteresting. The pathologist needed a preparation with which he could study from all sides and from every point of view.

"It was therefore my endeavor to find a means to study the body parts—the muscular system and the bone structure.

"I found it in my X-ray solution—a fluid which, like the X-rays, penetrates the outer skin and the flesh, but shows not only the bone structure but the finer muscular system."

The degree of transparency obtained by the action of the fluid can be regulated by the operator. It is said a board can be made as clear as glass so that a newspaper can be read through it.

In the case of rare and valuable specimens the advantages of the Stean process can at the same time be preserved and examined.

ATTENTION, FELLOWS, THEY'RE AFTER U. S. HUSBANDS

The Scotch lassies and their chaperone.

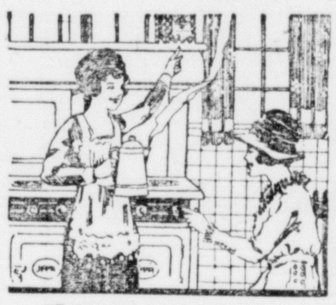

A party of Scotch girls—properly chaperoned of course—has come to America to search for husbands. This picture shows the bonny seekers on their arrival in New York Left to right they are: May McInroy, Lillian Gould, three sisters who are Margeret, Nessie and Ellen Goldie; Gladys Hutley and, in front, Mrs. Robert Aitken, chaperone. The main qualifications the girls will ask aren't known.

PROF. TODD WILL ATTEMPT TO COMMUNICATE WITH MARS

OMAHA, Neb. — According to an announcement made by Leo Stephens, balloon instructor at Fort Omaha, an attempt will be made by Prof. David Todd to communicate with the planet Mars in a balloon made and piloted by Stephens this fall. The gas bag will be the largest ever constructed, it is said, and will ascend to an altitude of about 50,000 feet. Its capacity will be approximately 140,000 feet.

Bucyrus—Even a doctor's prescription cannot get you a drink of "red licker" in Bucyrus. Not a single druggist has taken out a federal license to handle spirits fermenti.

Youngstown—Officials of the Carnegie Steel company say they are in no hurry to resume operations, although there are many men ready to return to work.

"To be real sure my coffee's pure,"
Said smiling Mrs. Bland.
"I stick to one called Golden Sun.
"Because I know the brand."

Golden Sun Coffee

THE thing which makes people buy Golden Sun year in and year out is not a premium but its fine flavor. It is all coffee, pure, fresh and wholesome. Your grocer sells it. Peddlers and mail order houses do not.

GOB RETURNS TO HOME HERE

Harvey Price, East Third street, arrived home Thursday after 13 months' service in the U. S. navy.

Price enlisted as an able seaman in September, 1918, and was shipped aboard an American man-o'-war bound for France. After a short cruise in foreign waters, Price was placed on the U. S. S. Buffalo on which he served during the remainder of his enlistment.

The Buffalo was stationed after the cessation of hostilities at Gibraltar and the Azores. Price saw the NC-4 while it rested at Ponta Del Gada on its historic cross-Atlantic flight a few months ago. He was sent to East Liberty, Pa., a few days ago and discharged from the service.

GRASSHOPPER INVASION OF OKLAHOMA CITY

OKLAHOMA CITY, Kan. — Grasshopper tales of Kansas were recalled here one day recently when Grand avenue and many streets south were literally swarming with "hoppers." The entire down town sections seemed to be "on the hop."

The unwelcome visitors made themselves as much at home as a bunch of visiting Rotarians at a convention. Needless to say, when the hoppers suddenly took their departure the city heaved a sigh of relief.

Springfield — Unless five more students of Springfield high school get the consent of their parents as required by Principal Tiffany, there will be no foot ball game with North high, Columbus, Saturday. Six players have received consent in writing. This was made necessary following the fatal accident at the opening of the season in which the Urbana high school fullback was injured so that he died.

"PURITY" Margarine is churned by The Capital City Products Co., Columbus, Ohio, High Grade Margarine Makers Since 1884. (Also makers of Nut Margarine.)

Only the best ingredients are good enough for "PURITY"—

Perhaps we could skimp in the manufacture of "PURITY" Margarine if we wanted to use inferior materials. But then it wouldn't be "PURITY."

"PURITY" Margarine is the popular margarine today because of its superior quality and flavor.

That flavor is the result of quality ingredients and the experience gained through 36 years of successful margarine making.

The test of taste will prove it. Your dealer has "PURITY" or will get it for you.

CENSORSHIP ON AT GARY, IND.

CHICAGO, Oct. 10.—With a rigid censorship on at Gary, Ind., where 4,000 United States soldiers are enforcing martial law as the result of riots among the idle steel workers Sunday, details of the situation in that city are not permitted to be published today. But it is known that federal soldiers, agents of the army intelligence department and representatives of the United States district attorney's office are continuing their fight against alleged radicals among the strikers; that they made several more raids on headquarters of these radicals during the night; that they arrested several persons and that a general exodus of radicals from the Calumet strike zone is in progress.

The censorship was decided upon at a conference between Major General Woods, in charge of the federal troops, municipal authorities and representatives of the district attorney's office. The army officers explained that publicity would hamper them in their task of cleaning out radicals who are responsible for the trouble.

At the same time, the officers made it plain that the organized steel workers, convinced that the troops were called to preserve law and order and not to interfere with them were giving valuable assistance in weeding out the disturbers.

Mill operators in the Calumet district, which includes among other cities, East Chicago, Indiana Harbor and Hammond, Ind., report their employes returning to work in numbers. Many of the steel mills in this district are today operating at 95 per cent capacity and announce that their plants will reach normal capacity during the week.

Strike leaders, however, deny this, and claim only a few of the strikers have returned to work.

REV. DR. McFADDEN WILL PREACH HERE

Rev. E. M. McFadden, D. D., of Pittsburg, will occupy the pulpit of the Second United Presbyterian church at the services at 11 o'clock Sunday morning. Sunday school will be held at 9:45 a. m. There will be no preaching services.

SERIES IS WON BY BETTER TEAM

Sox May Be "Class" Team But Reds Are Better Players, So Far as World's Series Display Was Concerned---Sox Cracked In Eight Games.

By FRANK G. MENKE.

CHICAGO, Oct. 10.—Well, it's all over.

Those who are not too crushed and dazed by the defeat of the "invincible White Sox" are bandying today with the quizz:

"Was it the worst series ever played—or the greatest?"

One finds sentiment about 50-50 on hat problem. But no one disputes the fact that there was nothing drab about the world's series show of 1919; no one rises up to take exception to the statement that, all things considered, it had no equal as a thrill producer.

It was a slam-bang battle and it had its audience enthused from beginning to end; it was a colorful, picturesque series smudged by a few bone plays, spotted by errors of hand and feet, but redeemed by brilliant feats afield, spectacular hitting and sterling pitching performances.

The better team won—no one can take that from the Reds. The Sox may be the "class" team of the universe—but the Reds are better players, at least as far as world's series display was concerned. They outclouted their slugging rivals; they outpitched them, and they held together and played a better defensive game than did the Sox.

The Sox "cracked" at various times during the eight reels of national pastime. The Reds never lost their courage or their fighting spirit. They believed in themselves—they believed in each other. And so they carried on to triumph.

But the Reds learned one lesson. And that is that no team clashing with another in a world's series should ever figure a game won until the last man is out; should never under-estimate the rallying powers of its foes. The Reds decided about the mididle of Tuesday's combat that they had a lead safe enough to ensure victory absolutely. But they blundered horribly in their assumption.

Fortunately for the Reds their mental bobbling was not costly for them. They pulled the championship out of the fire with the fusillade of blows yesterday. And the magnates and the national commission undoubtedly thank them profusely, for their over-confidence meant the playing of two more games with total receipts of nearly $145,000. But it was never again for the Reds—if they get into another series.

The Reds' pitching staff was the big sensation of the series. Ruether, Sallee, Ring and Eller whipped the Sox in succession. It looked like a walkaway for the Reds in their trial for the fifth game. But the pitching of the Rhineland quartet was as poor in its second start as it had been wonderful in the first. Ruether and Sallee were hammered from the mound, an awful bombardment was hurled at Eller, and Ring, serving as a relief pitcher, also suffered.

But the Reds' pitching stac stood up long enough to win—and that was the main thing. It isn't how badly you are battered in a fight that counts; it's who wins the decision. And the Reds, plus their pitchers, scored the knockout of the Sox.

NAVAL ELEVEN IS BOOKED TO MEET BULLDOGS

Canton Club Cancells Meeting with Wheeling Next Sunday.

HAVE GOOD RECORD

Brickley's New York Club Will Not Compete for Honors.

Navy football teams always have been good attractions, delivering the goods year in and year out, and for that reason Ralph Hay, business manager of the Canton Bulldogs, has cancelled the engagement here Sunday with the independent team of Wheeling in order to book the eleven representing the naval training school at Toledo, a combine that is said to average 180 pounds.

The upstaters are not the aggregation that was outclassed by the Indians at Akron last Sunday. Akron defeated that Toledo team by more than 40 points, while Canton was downing Pittsburgh, 13-7, the first victory in defense of national professional football honors.

That the Canton management played a safe hand in deciding not to negotiate with Brickley's New York eleven was demonstrated Tuesday afternoon when Coach Jim Thorpe received from Gotham word to the effect that the Manhattanites had been disbanded, and would not make a bid for U. S. honors. The disbandment of the eastern team spoils a trip to New York by the Tigers of Massillon next Sunday.

Toledo will bring 20 players here Sunday, according to a letter dispatched from the management of the Lucas county combine Tuesday. In 1917-1918 the upstaters won quite a few games in service circles, holding the title among naval training school elevens of the Great Lakes with the exception of the teams that were stationed at Great Lakes station itself and at Cleveland.

The cancellation of the Wheeling game and the signing of the Toledo is a move forward by Thorpe as well as by Business Manager Hay, who aims to provide brisk competition. Canton fans are pulling for a hard dry field next Sunday, for there is no chance to disguise the fact that the Bulldogs are speedy.

Another big crowd is anticipated. Canton turned out about 2,000 for the Pittsburg game last Sunday, and it was miserable weather. With clear skies Sunday, the Bulldogs ought to go under fire before 3,000 fans, so great is the interest in the team that Thorpe is tutoring. By the time the big contests with Akron and Massillon come, the seating capacity of League park will be inadequate. A week from the coming Sunday Canton plays the Panhandles of Columbus here.

MULLANEY HAS FAST ELEVEN

BELLAIRE, Oct. 10.—When (Skip) Wymard brings his S. J. Grenet team to Bellaire next Sunday to oppose Coach Ed. Mullaney's Bellaire fast going athletics, in the second football game of the season, it will be the first meeting as opposing coaches of the two former Georgetown stars. Wymard was a guard on the Georgetown Varsity team in 1909, 1910 and 1911, and was chosen as all southern guard the three years he played. Mulleney entered Georgetown in 1911, and went out for fullback on the Varsity, a position he had played for two years at Mount St. Joseph's college. A wealth of fast back field forced him into the line where he subbed for Wymard in 1912, after Wymard's graduation, he stepped into his shoes as regular Varsity right guard. Ed. has always claimed that Wlmard was one of the greates linemen he ever saw, and attributes all of his line play knowledge to Wymard's masterly coaching.

Wymard is a practicing attorney at Pittsburg, and has just returned from France as a captain. He has been coaching the Grenet team for five years without remuneration, because he loves the game. The Grenets are the oldest professional football organization in Pittsburg and take their name from Mr. S. J. Grenet, one of the Smoky City's big guns in a political way. They have a fine team captained by James Bannon, former Cornell star; Bud Wymard, Ford captain of 1915, and the greatest placement kicker in the country, will play center. Wymard's record of 25 placement goals out of 26 in 1915 is a record that will stand for years to come. He is well known in this section, having played several games with the great Martins Ferry Athletic team of 1916.

CASEY REJOINS HARVARD'S GRIDIRON TEAM WHICH GIVES CRIMSON FANS GREAT HOPES

Eddie Casey.

The return of Eddie Casey, star halfback, to Harvard has given the Crimson followers rosy visions of a great team for this year. Casey showed in Harvard's walk-away victory over Bates that he has lost none of his oldtime skill at broken-field running.

STUBBERS PREPARE FOR BURGETTSTOWN ELEVEN

STEUBENVILLE, Oct. 10.—Taking no chances on dropping out of their start toward High school championship honors of the Ohio Valley, Steubenville Hi is working hard in practice games every day in preparation for their third game which will be at home next Saturday against Burgettstown, Pa.

Burgettstown has a heavy team but unless they have improved greatly within the past two weeks, it will be an easy matter for the locals to walk away with them. Burgettstown played Follansbee High a scoreless game on the Burgettstown field two weeks ago.

HARD STRUGGLE AHEAD FOR VETS

Sebring Game Will Be One of the Hardest On Vets' Card This Season---Locals Will Practice at Park Friday Evening.

While the Grands and the East End Blues are squaring accounts at West End park Sunday the Veterans of Foreign Wars will be stamping on foreign soil. Cleats have been sharpened, shoulder pads re-fitted, and determinations whetted to an apex of desire to bring home a victory from Sebring whither Coleman's men go to spend the week end.

In spite of the fact that the Sebring Tigers come early on the schedule of the local team, it will be one of the toughest struggles on the card. The Tigers have established a reputation in Stark and adjacent counties for football ability that is seldom equalled. The Alliance Goat Hills have a mighty good outfit, but they're just a trifle afraid of the Sebring outfit, it is reported, and no engagement has been scheduled between the two teams thiis season. If the Veterans manage to come through Sunday's melee with a smile and a win, they can expect easy sailing the remainder of the year for there is hardly any possiblity of their meeting any gridders that will be tougher nuts to crack than the Tigers.

Coach Coleman and Captain Art Smith have called all Veterans out for practice this evening at West End park. As this will be the last chance for the Veterans to work out before the Sunday game the practice call is made an urgent one.

Bowling

The T. S. T. defeated Laughlin No. 5 three games last night at the Grand alleys. Canne had high score of 163 and also high average of 141. The score:

T. S. T.—			
Canne	127	163	133
Barmer	110	128	116
Vern	99	116	144
Hassel	102	89	133
Jackson	143	139	124
Totals	581	635	650
No. 5—			
Bucher	104	90	74
Green	87	87	113
Simpson	114	126	109
Young	96	98	101
Buckley	93	93	111
Totals	494	494	503

Babe Ruth in Pictures.

Babe Ruth is the latest baseball star to listen to the siren call of the pictures.

Babe has signed for a series of feature films, in which he will start work immediately at the close of the season. Just what Babe is going to do is a mystery. It seems hardly probable that he can commercialize the home runs which he has recorded during the season, and as an actor, Ruth should prove a great ball player.

TO OPEN CANTON CLINIC OCT. 20

CANTON, Oct. 10.—The Canton clinic and dispensary will be opened in rooms of the city auditorium building October 20, by the Canton chapter of the American Red Cross. The clinic will have a staff of 20 physicians and ten available nurses, whose services will be free.

TORONTO TO GET ATHLETIC FIELD

TORONTO, Oct. 10.—It was made public today that Toronto is to have one of the best and largets athletic fields in this part of the country, the Kaul interests having purchased from the Stewart heirs two large parcels of ground at the North End for this purpose. The tract is located on the west side of North Fifth street, being the same as were formerly used as the local ball grounds.

The park will be planned and made kinds and will be enclosed by a substantial fence or wall of pleasing appearance. An imposing grand stand will be built and commodious bleachers erected, together with a club house with showers and other modern conveniences.

The spacious grounds will be laid off with a diamond for baseball, gridiron for football, and a circle for track events. The work on same will be commenced shortly, and sufficient progress is expected to be made to enable the football eeams to play part of this season's games on the new grid.

Dr. H. F. Kilgus is the promoter of the venture.

KING FOOTBALL NOW IN COMMAND

CHICAGO, Oct. 10.—And now for football.

With the world's series ended and the 1919 baseball season relegated to the limbo of things remembered only, gridiron warriors stepped forward to the center of the sports calcium. Wearers of the moleskins in hundreds of colleges and schools are on edge today for games that will mark the real start of the gridiron season.

In the big ten conference the first inter-collegiate clash of the season will occur at Lafayette, Ind., where Illinois will clash with Purdue. Zuppkes Illini, with warriors who fought in the struggle with Germany returned to scholastic pursuits, are favorites to win from the boilermakers.

Second place in the spotlight is given to the Minnesota-Nebraska clash at Minneapolis. These two strong elevens, old rivals, are counted upon to produce a dashing battle.

Coach A. A. Staggs, Chicago university eleven, will meet a navy team from the Great Lakes Naval Training Station while Charlie Bachman's Northwestern university team will meet DePew. These games are preliminary to conference games scheduled for a week for tomorrow. Michigan has no game scheduled, but the Michigan aggies will take on Kalamazoo Northern in a workout contest.

Other preliminary games in the middle west will see Wisconsin opposing Marquette; Notre Dame playing Mount Union; Ohio State playing Cincinnati at Cincinnati; Indiana Jousting with Kentucky State at Lexington.

In the inter-mountain region and on the Pacific coast important games are scheduled between Colorado aggies and University of Colorado at Fort Collins; Montana and Montana Western at Missoula; Oregon and Multnomah Athletic clubat Eugene and Oregon aggies and Willamette at Corvallis.

The Kansas aggies will play Missouri at Manhattan and the Oklahoma aggies meet Haskell at Stillwater.

Fishing By Aero Is Latest.

CHRISTIANIA — Fishing by means of hydroplanes is the latest development in Norwegian industry.

Under the supervision of the local fishery authorities a 200-horsepower machine, provided with a benzine motor and an observation cabin for three persons, has just been constructed. It will be employed in locating fish schools, in communicating reports between fishing vessels and catch stations, and in ascertaining the whereabouts of every fishing craft in Norwegian waters.

Youngstown — Although more men are reporting for duty at the steel plants, operators say that there is no intention of trying to open the plants at the present time.

Tobacco Habit Dangerous

says Doctor Connor, formerly of Johns Hopkins hospital. Thousands of men suffering from fatal diseases would be in perfect health today were it not for the deadly drug Nicotine. Stop the habit now before it's too late. It's a simple process to rid yourself of the tobacco habit in any form. Just go to any up-to-date drug store and get some Nicotol tablets; take them as directed and lo! the pernicious habit quickly vanishes. Druggists refund the money if they fail. Be sure to read large and interesting announcement by Doctor Connor soon to appear in this paper. It tells of the danger of nicotine poisoning and how to avoid it. In the meantime try Nicotol tablets; you will be surprised at the result. For sale by Charles T. Larkins.

FIFTEEN WILL RACE AT CINCY

Earnest appeals are being received from several prominent race drivers, who had an antipathy to trying to break speed records in public on Sunday, to be allowed to enter the 300-mile automobile race to be staged at the Cincinnati Speedway on Saturday of this week.

While there is a possibility that one of these drivers may be accepted in lieu of one of the cars at the track now not coming up to expectations, it is certain that the field to face Starter Fred Wagner will not exceed the original number of fifteen, the Speedway management being convinced that this classy list will make for more speed, and incidentally for greater safety, than a promiscuous array of machines which would clutter up the track, retard the speedier cars, and incidentally inspire such caution among the drivers that there would be little or not prospect of any records being broken. With the original fifteen cars competing it is quite certain that a number of new marks from 50 to the 300 mile distance will be made.

Bucyrus—The chain of five generations living in one house was broken here with the death of Mrs. Elizabeth Sandhammer, aged 87 years. Her daughter, granddaughter, great granddaughter and great-great grandson, survive.

TORONTO TO GET ATHLETIC FIELD

TORONTO, Oct. 10.—It was made public today that Toronto is to have one of the best and largets athletic fields in this part of the country, the Kaul interests having purchased from the Stewart heirs two large parcels of ground at the North End for this purpose. The tract is located on the west side of North Fifth street, being the same as were formerly used as the local ball grounds.

The park will be planned and made kinds and will be enclosed by a substantial fence or wall of pleasing appearance. An imposing grand stand will be built and commodious bleachers erected, together with a club house with showers and other modern conveniences.

The spacious grounds will be laid off with a diamond for baseball, gridiron for football, and a circle for track events. The work on same will be commenced shortly, and sufficient progress is expected to be made to enable the football eeams to play part of this season's games on the new grid.

Dr. H. F. Kilgus is the promoter of the venture.

KING FOOTBALL NOW IN COMMAND

CHICAGO, Oct. 10.—And now for football.

With the world's series ended and the 1919 baseball season relegated to the limbo of things remembered only, gridiron warriors stepped forward to the center of the sports calcium. Wearers of the moleskins in hundreds of colleges and schools are on edge today for games that will mark the real start of the gridiron season.

In the big ten conference the first inter-collegiate clash of the season will occur at Lafayette, Ind., where Illinois will clash with Purdue. Zuppkes Illini, with warriors who fought in the struggle with Germany returned to scholastic pursuits, are favorites to win from the boilermakers.

Second place in the spotlight is given to the Minnesota-Nebraska clash at Minneapolis. These two strong elevens, old rivals, are counted upon to produce a dashing battle.

Coach A. A. Staggs, Chicago university eleven, will meet a navy team from the Great Lakes Naval Training Station while Charlie Bachman's Northwestern university team will meet DePew. These games are preliminary to conference games scheduled for a week for tomorrow. Michigan has no game scheduled, but the Michigan aggies will take on Kalamazoo Northern in a workout contest.

Other preliminary games in the middle west will see Wisconsin opposing Marquette; Notre Dame playing Mount Union; Ohio State playing Cincinnati at Cincinnati; Indiana Jousting with Kentucky State at Lexington.

In the inter-mountain region and on the Pacific coast important games are scheduled between Colorado aggies and University of Colorado at Fort Collins; Montana and Montana Western at Missoula; Oregon and Multnomah Athletic clubat Eugene and Oregon aggies and Willamette at Corvallis.

The Kansas aggies will play Missouri at Manhattan and the Oklahoma aggies meet Haskell at Stillwater.

FIFTEEN WILL RACE AT CINCY

Earnest appeals are being received from several prominent race drivers, who had an antipathy to trying to break speed records in public on Sunday, to be allowed to enter the 300-mile automobile race to be staged at the Cincinnati Speedway on Saturday of this week.

While there is a possibility that one of these drivers may be accepted in lieu of one of the cars at the track now not coming up to expectations, it is certain that the field to face Starter Fred Wagner will not exceed the original number of fifteen, the Speedway management being convinced that this classy list will make for more speed, and incidentally for greater safety, than a promiscuous array of machines which would clutter up the track, retard the speedier cars, and incidentally inspire such caution among the drivers that there would be little or not prospect of any records being broken. With the original fifteen cars competing it is quite certain that a number of new marks from 50 to the 300 mile distance will be made.

Bucyrus—The chain of five generations living in one house was broken here with the death of Mrs. Elizabeth Sandhammer, aged 87 years. Her daughter, granddaughter, great granddaughter and great-great grandson, survive.

Fishing By Aero Is Latest.

CHRISTIANIA — Fishing by means of hydroplanes is the latest development in Norwegian industry.

Under the supervision of the local fishery authorities a 200-horsepower machine, provided with a benzine motor and an observation cabin for three persons, has just been constructed. It will be employed in locating fish schools, in communicating reports between fishing vessels and catch stations, and in ascertaining the whereabouts of every fishing craft in Norwegian waters.

Youngstown—Although more men are reporting for duty at the steel plants, operators say that there is no intention of trying to open the plants at the present time.

Tobacco Habit Dangerous

says Doctor Connor, formerly of Johns Hopkins hospital. Thousands of men suffering from fatal diseases would be in perfect health today were it not for the deadly drug Nicotine. Stop the habit now before it's too late. It's a simple process to rid yourself of the tobacco habit in any form. Just go to any up-to-date drug store and get some Nicotol tablets; take them as directed and lo! the pernicious habit quickly vanishes. Druggists refund the money if they fail. Be sure to read large and interesting announcement by Doctor Connor soon to appear in this paper. It tells of the danger of nicotine poisoning and how to avoid it. In the meantime try Nicotol tablets; you will be surprised at the result. For sale by Charles T. Larkins.

Worry Your Head Off If You Want To

—but if you're wise, you'll forget all your business worries after business hours.

Shake off your troubles when the whistle blows and you shut up your desk for the day. Come to the GRAND BILLIARD PARLORS and play a few games of pocket-billiards. No game ever invented gives more pleasure and nothing is more restful than an hour or so spent over a billiard table.

BRIDGE BREAK; TRAIN FALLS INTO FLOOD

Carried down into a raging torrent when the train on which she is speeding to find her missing father crashes through a weakened bridge, is the experience of the heroine of Vitagraph's lates serial, "Smashing Barriers," now playing at the American Theater and starring William Duncan (Dick Darpart of Bella Manners, is the heroine who is carried down by the wrecked train.

The car in which she is riding is half submerged in the flood and with her foot caught in an overturned seat she finds the water slowly rising above her shoulders. Duncan, as a rough and ready young lumberjack sent from the nearby lumber camp to aid the wrecked train, rescues her and right there is struck the first spark of admiration between them that is fanned into flame of love as their paths of adventure cross and recross throughout the rest of the serial.

"PRETTY BABY" AT CERAMIC MONDAY

The Jimmie Hodges Musical comedy company coming to the Ceramic for one week starting Monday, October 18.

That syncopated "Jimmie Hodges" new "Pretty Baby" show which made its New York debut last fall will dispense its glories at the Ceramic theater next Monday night .

By sheer force of speed, levity and generally happy-go-lucky atmosphere this big syncopated musical treat, provides the sort of entertainment which every musical loving community likes. Built like a miniature "Ziegfield Follies," without any palpable imitation thereof, "Pretty Baby" just rags and turkey trots from one frivolity to another. Always made enjoyable by musical numbers that have melody and merit, and by cast of principals that could push a far less deserving piece of success. The luminaries are supported by thirty-five people.

Jimmie Hodges, whose songs are being sung from one end of the country to the other is responsible for the show in its entirety.

The bill for the remainder of the week follows: Tuesday matinee and night "That's My Wife," Wednesday matinee and night, "Broadway Jimmie," Thursday matinee and night, "The Flirt," Friday, matinee and night, "Jimmie's Night Out," and closing the engagement with "Jimmie's Night Out."

SESSUE HAYAKAWA AT DIAMOND THEATRE

Sessue Hayakawa the renowned Japanese actor, who is ranked by critics as the premier actor of the screen today, has big dramatic moments in his latest production, "Bonds of Honor." at the Diamond theater Friday, the theme of which is built around the reverence of the Japanese for "the honor of his family name." The production was made by the Haworth Pictures Corporation and released through the exchanges of Exhibitors Mutual.

The story throws an interesting light on the traditions of the Samurai, or ruling class of Japan. In this intensely dramatic story Hayawaka plays a dual role, that of twin brothers, Yamashiro and Sadao, sons of Count Sakurai, who is high in the councils of state of the Flowery Kingdom. Sadao has brought disgrace upon the family name by delivering important plans to German intrigues, and has fled to Russia with the spies. Yamashiro offers to expiate his brother's crime and places himself at the disposal of the high officials. How he clears the stain from the family honor and restores the plans to his country is told in a drama of power end emotional climaxes that hold to the final denoument.

NORMA TALMADGE IN FILM AT STRAND

For "The Children in the House," which will be shown at the Strand theater Friday and Saturday, a thrill of thrills is claimed. This is the spectacle of an auto-load of bank robbers plunging, after a flying battle with police, over a steep precipice 300 feet high.

Its occupants shot down one by one, by the pursuing officers, the car i seen to zizzag as it speeds anong the mountain road. At last a bullet hits the man at the wheel, and there is a terrifying swerve. The next picture is taken from below, looking up at the summit of the beetling cliff. The automobile is seen to run along the brink swing over the edge, topple for a moment, then plunge down the rocky declivity until it reaches the bottom, a broken and shattered mass of metal.

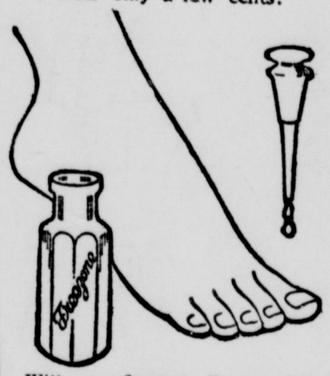

The sight of the big car shooting over the edge down to destruction is announced as one warranted to give any spectator at least one good gasp. Another thrill in the picture is the rescue of four of the "kiddies" from a burning home where they have been tid and gagged by the crooks.

Norman Talmadge is the star of "The Children in the House," and is supported by a cast which includes Jewel Carmen, Eugene Pallette and William Hinckely.

St. Clairsville—The great increase in real estate activity in Belmont county is shown by the reports in the office of Recorder Brady Bradfield for September. During the month the fees for real estate transfers amounted to $764 as against $276 for the same month five years ago.

Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet.

A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!

ASK LEWIS BROS. ABOUT IT

"The House of Service"

Telephone Rates Governed Always By Cost of Producing Service

IT IS AN UNCHANGEABLE law of trade that the price at which any service can be continuously sold is governed by the cost at which it can be continuously produced.

THERE IS NOTHING IN THE TELEPHONE BUSINESS THAT EXCEPTS IT FROM THIS LAW.

IT IS GENERAL KNOWLEDGE that this company has been subjected for the last several years to constantly rising costs. Particularly from the date this country the war our company, like practically every other public utility, has been struggling under this steadily increasing burden.

THE MATERIALS WE NEED have been scarce and expensive; the cost of labor has been going up, and in the face of such conditions the demands for service have reached the point where our resources and fcailities are strained to the utmost.

WE CANNOT DO AS a private industry might; shut up shop until conditions become more nearly normal. We must stand ready at all times to serve the public, to make needed extensions to our plant and equipment and to meet the demands for more and more service.

WE WELCOME THESE obligations, but we have now reach a point where it has become our duty to ask the Public Utilities Commission for such rates as will enable us to continue doing business and to provide sufficient revenue for the operations of the future.

The Chesapeake & Potomac Telephone Company of West Virginia

LIBERAL Store's Winter Apparel Combines Style, Quality and Value

DELAY VOTE ON PACT CLAUSE

By J. BART CAMPBELL.

WASHINGTON Oct. 10.—With both Republican and Democratic senators split on the question of amending the German peace treaty textually, Senator Lodge, majority leader, and Senator Hitchcock, minority leader, agreed today that there was scant prospect of the senate voting on the pending Shantung amendment until next week was well advanced.

Despite the impending delay, Senator Penrose, Republican of Pennsylvania, clung to his prediction that the treaty would be disposed of "one way or the other" by Nov. 1 Senator Watson, Republican of Indiana, who took the same view on Saturday, was, however, of the opinion that Nov. 11, the anniversary of the signing of the armistice, would be nearer the mark. Other senators on the Republican side stated they would be surprised if final action were secured by the middle of next month.

Debate on the Shantung amendment which would restore to China the German control of the Chinese province Japan seized during the war was to be resumed today with unmistakable indications that it would continue during the rest of the week and probably into next week.

Appointed Deputy Game Warden.

Bellaire, Oct. 9.—A. B. Roush has been appointed deputy state game warden succeeding John T. Travers, who has been made chief of stream pollution under the state fish and game bureau of the state agricultural department.

STRIKER RANKS ARE INCREASED

When their demands for a wage increase of 25 cents a day were refused, brushers and dippers' helpers in the Edwin M. Knowles China company's plant Thursday afternoon joined the strikers from the same departments of the Homer Laughlin China company's two plants in Newell and three plants in East Liverpool.

The Homer Laughlin employes walked out Thursday morning.

The warehouse brushers have been receiving $2 per day, while the dippers' helpers received $2.05 per day. Bya recent wage scale the daily wage rate would be $2.10 and $2.15 per day.

The strikers assembled Thursday afternoon and marched to the plant of the Edwin M. Knowles China company, where they prevailed upon the girls in the warehouse and dipping departments to join them. The strikers then proceeded to East Liverpool where it was said an effort was to be made to get the girls in the potteries there to walk out.

No effort has been made so far to adjust the differences. If the strike should continue for any great length of time, all departments of both plants will be affected.

ATTORNEY COCHRAN TO SPEAK AT MEETING

Attorney Blaine Cochran of East Liverpool will speak at a meeting of the Parent-Teachers' association of the Newell schools to be held in the school building on Thursday evening, October 23. This will be the first meeting of the association.

An interesting program will be carried out at this time, consisting of musical and literary numbers by some of the school pupils.

ACCUSED OF BEING ELECTED BY FRAUD

Rep. John F. Fitzgerald.

The house elections committee has declared that Rep. John F. Fitzgerald of Massachusetts was elected by fraud. The committee recommends the unseating of Fitzgerald. He, however, proposes to fight the matter to the last ditch and the photograph shows him in one of his fighting poses.

STEREOPTICON LECTURE AT TEACHERS' MEET

J. M. Berkey, director of the special school of extension in the Pittsburgh public schools, will give a stereopticon lecture at a meeting of the Hancock County Teachers' association here on Friday, October 24. Prof. A. D. Osborne, superintendent of the Newell public schools, is in receipt of a communication from Mr. Berkey, stating that his address at the institute will be illustrated with lantern slides.

The subject of his address will be "Americanization." The slides will show views in the foreign settlement of Pittsburgh, where Mr. Berkey has been working in an effort to educate the foreign born children in the public schools.

Lancaster—King Albert and Queen Elizabeth may visit Lancaster. Leopold Hambourg, wealthy Belgian and owner of the Fairfield Window Glass company, has a promise from the king and queen that they will come to Lancaster if it is at all possible. There are fifty Belgian families in this city who were active during the war.

Banish Nervousness

Put Vigor and Ambition into Run Down, Tired Out People.

If you feel tired out, out of sorts, despondent, mentally or physically depressed, and lack the desire to accomplish things, get a 50 cent box of Wendell's Ambition Pills at J. D. Holloway's today and take the first big step toward feeling better right away.

If you drink too much, smoke too much or are nervous because of overwork of any kind, Wendell's Ambition Pills will make you feel better in three days or money back from J. D. Holloway on the first box purchased.

For all affections of the nervous system, constipation, loss of appetite, lack of confidence, trembling, kidney or liver complaints, sleeplessness, exhausted vitality or weakness of any kind get a box of Wendell's Ambition Pills today on the money back plan.

Men's Brotherhood Meeting.

A meeting of the Men's Brotherhood of the Newell Church of Christ was held in the class room of the church Thursday evening. A number of important business matters were transacted, including plans for the observance of "Dedication Day." Luncheon was served by the social committee.

Columbus—Preliminary steps toward launching in Columbus the campaign to raise $20,595 as Franklin county's "objective" in the effort to furnish $500,000 in Ohio toward the national Roosevelt memorial fund, were taken at a meeting in the chamber of commerce auditorium last night.

DISPUTE IS ADJUSTED

DAYTON, Oct. 10.—Wait a minute girls', Dayton's city welfare nurses, employed by the city, did not like the wage scale and were about to toss their medicine bags on the table in the health department. But City Manager Barlow did not try to argue with the "wimmin." He found a way to increase the salaries. The first three months they will get $85 amonth; the next nine months, $90 monthly and after that the salary will be $100 a month. And—everybody is happy.

Canton—About 500 persons have enrolled in night schools which will be conducted in McKinley high school building. Classes will start Oct. 30.

If your skin itches just use Resinol

No remedy can honestly promise to *heal every case* of eczema or similar skin ailment. But Resinol Ointment, aided by Resinol Soap, gives such *instant* relief from the itching and burning, and so *generally* succeeds in clearing the eruption away for good, that it is the standard skin treatment of thousands and thousands of physicians. Why not try it?

Resinol Ointment and Resinol Soap are sold by all druggists. For sample of each, free, write to Dept. 2-R, Resinol, Baltimore, Md.

NOTHING BETTER THAN "NOSTRIOLA" AND 'MUS-TUR-PEP' TO PREVENT 'FLU'

Doctors and Druggists Recommend the Immediate Use of These Simple Home Remedies By Every Member of the Family.

Nostriola is Antiseptic, Cleansing, Purifying. Use Nostriola Balm for applying to nostrils, or get physician's size bottle of Liquid Nostriola for spraying nose and throat.

The nostrils and air passages are the breeding places for Influenza and other disease breeding germs.

Don't fail to get Nostriola, Balm or Liquid, and have every member of the family use it daily as a preventive.

In case of Sore Throat, Bronchitis, Cold in Head, Chest Cold or threatened Pneumonia, use greaseless "MUS-TUR-PEP" quickly—also continue to spray nose and throat with Nostriola.

For quick results, bathe parts with hot water, apply "MUS-TUR-PEP" freely and cover with a hot wet woolen cloth.

"MUS-TUR-PEP" is greaseless, "rubs right in," will not soil linen, and it is the nicest, cleanest mustard preparation known.

"AN OUNCE OF PREVENTION IS WORTH A POUND OF CURE."

Krew-Pina Treatment for Bronchitis, Tonsillitis and Sore Throat

Open pores by bathing affected parts with hot towels—apply Krew-Pina before retiring and massage. Relief in the morning.

Tonsillitis and Bronchitis Relieved by KREW-PINA

YOU can't afford to lose time with sickness and it's not necessary either. The commonest form of all sickness is Cold, Bronchitis or Tonsillitis. You can relieve these troubles by applying KREW-PINA. This powerful ointment will usually break even the most obstinate cases of Cold, Bronchites or Tonsillitis with one application.

Secure a jar from your nearest druggist today or phone for it. Splendid for Croup, Backache, Lumbago, Asthma, Frost-Bite, Sprains, Sore Joints, Sore Feet, Chapped Hands and more than forty other common ailments—25c.
